The game must be operated in accordance with the specifications submitted and the terms of this certification. Any modification of the manufacturer's specifications or the specified method of play immediately voids this certification.

It is unlawful to license or operate any amusement game in the State of New Jersey without a valid Certification of Permissibility or in a manner not in accordance with Certification of Permissibility issued for the game. This Certification of Permissibility contains three pages. This is page 1 of 3.

GAME DESCRIPTION

The Crazy Curves game is a single player electronic arcade redemption game. The player inserts the appropriate amount of coins/tokens into the acceptor. The player pulls a slot machine-like handle located on the right side of the game. Lights sequentially illuminate around the perimeter in a clock wise fashion on the prize wheel. The prize wheel contains 44 various prize values including two (2) bonus stops. The player presses the " Stop Button" to stop the moving lights on a prize value. The value of the prize adjacent to the stopped illuminated light is awarded to the player. If the player successfully stops the illuminated light on the "bonus" stop then the player is awarded the displayed bonus value which is located inside the prize wheel. All awards are dispensed as tickets to the player for prize redemption.

CONDITIONS

1.) The maximum price to play shall not exceed values set forth in N.J.A.C. 13:3-3.4.

2.) Payout must occur immediately upon a win.

3.) The game play field shall be clean and free of debris.

4.) Game shall be installed and maintained according to manufacturer specifications

5.) The device is being operated by the following software version:

Software Identification
