The game named above is hereby granted a Certification of Permissibility for operation in New Jersey pursuant to the provisions of the Amusement Games Licensing Law, N.J.S.A. 5:8-100 et seq. ("Law"), and the regulations promulgated thereunder, N.J.A.C. 13:3-1.1 et seq. ("Regulations"). This Certification of Permissibility is based upon information supplied by the applicant at the time of application for certification. The game must be operated in accordance with the Law and Regulations, the specifications submitted by the applicant and the conditions set forth in this certification. Any modification of the specifications as submitted at the time of application or the conditions set forth herein shall immediately void the Certification of Permissibility for any game so operated.

It is unlawful to license or operate any amusement game in the State of New Jersey without a valid Certification of Permissibility or in a manner not in accordance with Certification of Permissibility issued for the game. This Certification of Permissibility contains four pages. This is page 1 of 4.

DESCRIPTION

"Dog Pounder" is a competitive, group water race game consisting of six (6) player positions. Each player station is equipped with a rubber mallet, a large target button and balls. The object of the game is for the player to hit the button with the mallet which projects the balls into an opening (dogs' belly) located at the back plain of each player station. The first player to fill the dog's belly which triggers the illumination indicator is deemed the winner.

DEFINITIONS:

"Game board" means the large target button at each player position which projects the game balls.

"Obstructions" means any portion of the stand/structure, any light or other type fixture, any box, bag, prize or other material.

"Play field" means an area within the stand/structure between where the player sits and one foot behind the target into which the stream of water is shot.

"Prize Category" means a prize, or group of prizes of comparable value, available to a player upon completion of the task necessary too win a prize in a particular category or available to a player by "trade up. "

"Prize category designation" means the identifier of one of the six authorized prize categories prescribed by condition 10 of this Certification of Permissibility.

"Professional quality" means that the surface of the sign to be used must be smooth and rigid in nature and not made from paper or corrugated cardboard, unless laminated.

"Round of play" means the sale of a right to participate, the event which determines whether the player wins or loses, and the award of the prize.

"Stand/structure" means any stand, structure, booth, tent, trailer or area in which the game is operated including but, not limited to any seat or stool offered for use or used by a player during game play.

"Trade up" means trading multiple prizes of a lower prize category for a prize in a higher prize category.

CONDITIONS:

1.) The maximum price to play shall not exceed values set forth in N.J.A.C. 13:3-.3.4.

2.) The Play field shall be clear of all obstructions.

3.) The Play field shall be contained within the stand/structure in which the game is located.

4.) No merchandise shall be allowed in or around the stand/structure for display purposes only.

5.) All prizes displayed must be available to be won either in a single round of play or by trading up through continued play.

6.) A sign explaining prize category trade up requirements shall be conspicuously posted at all times during the operation of the game.

7.) The minimum size of a sign containing the statement required by condition number 6 of this certification shall be 8.5 inches x 11 inches. The sign shall be of professional quality and shall consist of block letters of at least.50 inches. The background and the letters of the sign shall be electronically displayed or permanently printed of contrasting colors.

8.) All prizes available though the play of the game shall be conspicuously displayed above the front counter height of the stand/structure.

9.) The maximum number of prize categories shall be six (6).

10.) Prize categories from the lowest to highest in values shall only be known, referred to, designated, or labeled as : Small; Medium; Large; X-Large; Jumbo or Choice.

11.) Prizes displayed shall be labeled to indicate a prize category. Prizes shall be labeled individually or as a clearly delineated group of the same prize category.

12.) The maximum number of prizes required in order to trade up to the next higher prize category shall be three (3). (IE: Three Small prizes are required to trade up to one

Medium prize. Three Medium prizes are required to trade up to one Large prize. Three Large prizes are required to trade up to one X-Large prize. Three X- Large prizes are required to trade up to one Jumbo prize. Three Jumbo prizes are required to trade up to one Choice prize.)

13.) No large target button shall project the balls at a lesser or greater distance than any other target button used in game play.

14.) Each large target button thereof shall be identical and maintained in a like new condition.

15.) The rubber mallets and game balls used during game operations shall be identical and maintained in a like new condition. If they do not meet this criteria, they must be removed immediately from game play.

16.) The signaling device used to indicate the winning player shall be maintained in proper working order at all times during game play.

17.) Software EPROM ID for main board: BSR9050 REV B

18.) Game shall be installed and maintained according to manufacturer specifications.

This Certification of Permissibility is not a license to operate the captioned gambling device. The game must be licensed in accordance with the Law and Regulations.

The Commission reserves the right to suspend, revoke or modify this Certification of Permissibility upon notice to the manufacturer, operator and/or applicant.
