IN THE MATTER OF THE APPLICATION OF KHAYYAM BEY TO PRACTICE CLINICAL ALCOHOL AND DRUG COUNSELING IN THE STATE OF NEW JERSEY	Administrative Action CONSENT ORDER GRANTING LICENSURE

The Alcohol and Drug Counselor Committee of the New Jersey State Board of Marriage and Family Therapy Examiners ("Committee"), has reviewed the application for licensure by Khayyam Bey ("Mr. Bey" or "respondent"). That application disclosed that Mr. Bey had a significant criminal history, including a homicide conviction in 1992.

Mr. Bey appeared pro se before the Committee on July 26, 2013, to discuss the circumstances surrounding his conviction. Respondent was sentenced to twenty-one years in prison, and served twelve years, for the homicide of his girlfriend in 1992. He testified that while in prison he participated in drug programs pertaining to addictive behaviors and emotional issues. Mr. Bey was released from parole in 2005, and currently works eighty hours per week as a counselor with adolescents, and at a methadone clinic. Respondent is currently pursuing a license to practice social work. Mr. Bey discussed his recovery and support system consisting of his mother, girlfriend, and colleagues.

The Committee, having reviewed Mr. Bey's application, letters of recommendation, employment history, and documentation of release from parole, and based upon his testimony and demeanor before the Committee, has determined that respondent has affirmatively demonstrated rehabilitation and is ready to enter the practice of alcohol and drug counseling. The Committee finds that granting him a license under the terms of this consent order is consistent with the public health, safety and welfare.

ACCORDINGLY, it is on this 28 day of February, 2014, ORDERED THAT:

1. Khayyam Bey is granted a license to practice clinical alcohol and drug counseling in the State of New Jersey, conditioned

upon compliance with the terms of this Consent Order and with all requirements for certification.

2. Mr. Bey shall practice under the supervision of a Committee approved supervisor, which may include a Licensed Clinical Social worker ("LCSW") who is supervising him as he pursues his clinical social work license. Supervision shall be for a minimum of two (2) years beginning with the filing of this order and until further order of the Committee. Respondent's supervisor shall be provided with a copy of this order and shall sign a copy of this order indicating that he or she agrees to supervise Mr. Bey and to provide quarterly reports to the Committee regarding respondent's practice. Reports shall be sent to Milagros Collazo, Executive Director, Alcohol and Drug Counselor Committee, P.O. Box 45040, Newark, New Jersey, 07101. The first quarterly report is due ninety days after the entry of this consent order.

3. Respondent shall meet not less than once a week with his supervisor; not more than half of the weekly supervision meetings may be group supervision. Periods of time during which respondent is not employed as a practicing alcohol and drug counselor shall be excluded from the computation of the two year period that he is required to practice under supervision.

4. If Mr. Bey changes supervisors or his place of employment, or decides to not to pursue his social work license, he shall be required to submit to the Committee written notification of the

change(s) within ten (10) days of the change(s), and appear before the Committee if so requested. The Committee reserves the right to grant or deny approval of the proposed supervisor.

5. All supervisors signing this order agree to submit quarterly reports as required by paragraph 2 above and to submit written notification to the Committee if Mr. Bey engages in any activity violative of the statutes or regulations governing the practice of alcohol and drug counseling, or if supervision of Mr. Bey ceases and the reason for ending the supervision. The supervisor agrees to send written notification regarding any change in supervision within ten (10) days of the change. Notification shall be sent to Milagros Collazo at the address in paragraph 2 above.

6. Upon the completion of a minimum of two (2) years of practicing alcohol and drug counseling under supervision in accordance with the terms of this order, Mr. Bey may apply for an unrestricted license to practice clinical alcohol and drug counseling.

7. During the period respondent is practicing under supervision, he shall not provide supervision to any person practicing alcohol and drug counseling.

8. Mr. Bey shall participate in self-help meetings with a sponsor, and a home group, at a minimum frequency of once per week.

9. Upon receipt of any reliable information indicating that respondent has violated any of the terms of this order, or has violated the laws and regulations governing the practice of alcohol and drug counseling, respondent's license may be automatically suspended by the Committee. Respondent, upon five days notice, may request a hearing to contest the entry of the order of automatic suspension.
