| IN THE MATTER OF<br><br>**EDWARD D. HEISLER**<br>**Application No: 1775215**<br><br>FOR LICENSURE TO PRACTICE<br>HOME INSPECTION IN THE STATE<br>OF NEW JERSEY | Administrative Action<br><br>CONSENT ORDER |

This matter was opened to the Home Inspection Advisory Committee, under the New Jersey State Board of Professional Engineers and Land Surveyors, (hereinafter the "Committee") upon the review of an application for licensure as a home inspector in this State filed by Edward D. Heisler in or about August 2013.

In support of his home inspector application, Mr. Heisler submitted proof that he qualified for licensure pursuant to N.J.S.A. 45:8-68 and N.J.A.C. 13:40-15(a).

Further review of the applicant's home inspector application and the home inspection reports revealed, and the Committee found, that Mr. Heisler was convicted of a violation of the Comprehensive Drug Reform Act of 1987, codified at N.J.S.A. 2C:35-1 et seq., in or about January 2012. As a result of this conviction, the applicant was, among other sanctions, placed on probation for two years, fined $1,775.00, required to undergo an alcohol and drug evaluation and to continue treatment as directed. To date, Mr. Heisler has complied with all of the requirements of his probation and provided proof to the Committee of his compliance and rehabilitation.

The Committee, having reviewed the relevant submitted documentation in this matter, has concluded that the applicant has demonstrated that he is capable of discharging the functions of a licensed home inspector in a manner consistent with the public's health, safety and welfare. Mr. Heisler wishes to avoid any further proceedings to resolve this matter and, waives any right to a hearing, and is acknowledging and not contesting the findings of fact and conclusions of law made by the Committee. The Committee has reviewed the entire record and finds that the resolution of this matter as set forth in this Order adequately protects the public health, safety and welfare.

**IT IS ON THIS 21ST day of DECEMBER 2013, HEREBY ORDERED AND AGREED THAT:**

1. Edward D. Heisler's application for licensure as a home inspector, pursuant to the mandates of N.J.S.A. 45:8-68, in the State of New Jersey is hereby granted. The applicant's license shall be on probation until January 2015. During this probationary period, the applicant shall:

a. continue to participate in and fully comply with all of the obligations of his probation as required by the Somerset County probation Division and currently scheduled to end as of January 2014. Failure to successfully complete the required probation may result in further disciplinary action by the Committee.

b. continue to have substance abuse treatment with Stateline Medical, a Pinnacle Treatment Center, in Phillipsburg, New Jersey, or any successor treatment center pre-approved by the Committee, during his probationary period until January 2015.

c. provide any and all releases to any and all parties who are participating in the monitoring, treatment or other program in which he may enroll during the licensure probationary period.

d. ensure that his assigned counselor at Stateline Medical, or any successor approved by the Committee, hereby agrees to provide quarterly reports regarding Mr. Heisler's progress in treatment and immediate (within 24 hours of awareness) reports orally and in writing any indications of a relapse or reoccurrence of symptoms and/or failure to continue on prescribed medications

**directly** to the Committee. Additionally, any changes in therapy, medications or a discontinuance of either therapy or medications should also immediately be reported to the Committee by both Mr. Heisler and his treating counselors at Stateline Medical, during his probationary period with the Board which shall continue until January 2015.

2. The applicant shall be responsible for any and all costs associated with the conditions outlined herein, including but not limited to, all costs associated with the treatment and counseling and reporting required by the terms of the Consent Order.

3. Failure on the part of Mr. Heisler to comply with any of the terms of this Consent Order would constitute a violation of the Order, proof of which would constitute grounds for disciplinary action by the Committee.
