In the Matter of	:	Administrative Action
IOURI KRAINOV, D.M.D. License No.: 22DI02102200	:	FINAL ORDER OF DISCIPLINE
Licensed To Practice Dentistry In the State of New Jersey	:	

The New Jersey State Board of Dentistry reviewed information that Iouri Krainov, D.M.D. ("Dr. Krainov" or "respondent"), had pled guilty in 2012 in New York State to the crime of falsifying business records in the second degree and had been disciplined by the Board of Regents for the State of New York based on that conviction.

The Board, citing to the conviction and the New York State action, entered a Provisional Order of Discipline on January 21, 2015. That Provisional Order offered Dr. Krainov an opportunity to seek modification or dismissal of the action by submitting his request in writing within thirty days of the entry of the Provisional Order. As evidenced by the December 17, 2015, certification of the Board's executive director, Dr. Krainov did not respond.

By letter dated December 16, 2015, mailed to Dr. Krainov at his address of record on December 17, 2015, Dr. Krainov was advised that the Board would consider finalizing the Provisional Order at its meeting on January 6, 2016. The Board did not

receive any response, and at its meeting on January 6, 2016, determined to finalize the Provisional Order without change. Therefore, the following findings and conclusions are made:

FINDINGS OF FACT

1. The Board issued Dr. Krainov a license to practice dentistry in New Jersey on February 17, 2000. Respondent placed his license on inactive-paid status in or about August 2011.

2. On February 27, 2012, in an Application for Consent Order to the New York State Education Department, Office of Professional Discipline, State Board of Dentistry, Dr. Yuri Krainov a/k/a Iouri Krainov, admitted that he had pled guilty to the crime of falsifying Business Records in the Second Degree. Respondent's plea related to conduct between January 1, 2005 and January 1, 2008, when he was an enrolled provider In the New York State Medical Assistance Program (Medicaid). Respondent made or caused to be made entries in dental charts, kept and maintained by the respondent, of Medicaid recipients, representing the performance of dental procedures that respondent did not perform, and respondent submitted claims to Medicaid that falsely stated that he had furnished those dental services. (Copy of New York State Education Department Application for Consent Order, attached as Exhibit A).

3. Based on that guilty plea, on June 19, 2012, the Board of Regents of the State of New York suspended respondent's license for a period of 24 months, the first two months served as an active suspension and the remaining 22 months served as a period of probation.

CONCLUSIONS OF LAW

The above findings of fact provide grounds for disciplinary action in this State pursuant to N.J.S.A. 45:1-21(f) as Dr. Krainov has engaged in acts that constitute a crime, and pursuant to N.J.S.A. 45:1-21(g), as he has had his license suspended by another state.

ACCORDINGLY, IT IS on this 6th day of January, 2016,

ORDERED THAT:

1. The license of Dr. Krainov to practice dentistry in this State shall be suspended for a period of two (2) years, which suspension shall be stayed and served as a period of probation. The suspension shall commence fourteen (14) days following entry of the Final Order of Discipline in this matter.

2. Should respondent seek to place his license on active status, he shall submit to the Board a report detailing his professional practice during the period his license has been on inactive and/or probationary status. The Board reserves the right to impose conditions or restrictions on respondent's practice, which, in the Board's discretion, it finds necessary to protect the public health, safety, and welfare.
