IN THE MATTER OF THE LICENSE OF ALAN S. HILIBRAND, M.D. License No. MA68019 TO PRACTICE MEDICINE AND SURGERY IN THE STATE OF NEW JERSEY	Administrative Action FINAL ORDER OF DISCIPLINE

THIS MATTER was opened to the New Jersey State Board of Medical Examiners ("Board") upon receipt of information which the Board has reviewed and on which the following findings of fact and conclusions of law are made;

CERTIFIED TRUE COPY

FINDINGS OF FACT

1. Respondent, Alan S. Hilibrand, M.D., is the holder of License No. MA68019 and was licensed to practice medicine and surgery in the State of New Jersey on September 4, 1998. Respondent's license is currently active.

2. On or about November 5, 2013, the Delaware Board of Medical Licensure and Discipline ("Delaware Board") entered a Final Board Order (attached), wherein Respondent was reprimanded, required to come into compliance with 24 Del. C. § 1720(i) of the Medical Practice Act, which requires licensees to undergo fingerprinting and submit to a criminal background check, and was required to pay a $1,000.00 fine for failing to comply with the fingerprinting and background check requirements.

3. On June 15, 2015, the Board entered a Provisional Order of Discipline preliminarily determining that the Delaware disciplinary action provided grounds to take disciplinary action against Respondent's license to practice medicine and surgery in New Jersey pursuant to N.J.S.A. 45:1-21(e).

4. Respondent submitted a written response dated July 14, 2015, in which he argued that his failure to be timely fingerprinted in Delaware does not constitute a danger to the general health and welfare of residents of New Jersey and that

this conduct, with his mitigating information, would not give rise to discipline in New Jersey.

CONCLUSION OF LAW

Respondent's reply to the Provisional Order of Discipline caused the Board to modify the preliminary determinations of the Provisional Order of Discipline. Respondent's acts giving rise to the above disciplinary actions taken by the Delaware Board do not provide grounds to take disciplinary action against Respondent's license to practice medicine and surgery in New Jersey pursuant to N.J.S.A. 45:1-21(e).

ACCORDINGLY, IT IS ON THIS 13 day of January, 2016, **ORDERED THAT:**

1. The Provisional Order of Discipline is **DISMISSED.**
