STATE OF NEW JERSEY
DEPARTMENT OF LAW & PUBLIC SAFETY
DIVISION OF CONSUMER AFFAIRS
STATE BOARD OF PHARMACY

IN THE MATTER OF THE REGISTRATION OF:	Administrative Action
SHAWNA M. TERRY Registration No.: 28RW01449900	**CONSENT ORDER OF VOLUNTARY SURRENDER OF REGISTRATION**
TO PRACTICE AS A PHARMACY TECHNICIAN IN THE STATE OF NEW JERSEY	

This matter was opened to the New Jersey State Board of Pharmacy (the "Board") upon receipt of a self-report by respondent Shawna M. Terry ("respondent"), admitting to addiction issues. Specifically, respondent admitted that she was impaired during her work hours, and is currently seeking treatment for addiction. The Board received additional information that respondent resigned from her position as a pharmacy technician.

After a review of the materials presented, the Board finds that respondent is not currently capable of safely performing the functions of a pharmacy technician with reasonable skill and safety, providing a basis for discipline of her registration pursuant to N.J.S.A. 45:1-21(l). The Board finds the within disposition adequately protective of the public health, safety and welfare,

and respondent having waived her right to a hearing in this matter, and other good cause having been shown,

ACCORDINGLY, IT IS on this 4th day of April, 2016

ORDERED AND AGREED that:

1. Respondent is hereby granted leave and shall immediately surrender her registration to practice as a pharmacy technician in the State of New Jersey, to be deemed a revocation of her registration.

2. Respondent shall immediately cease and desist from engaging in practice as a pharmacy technician, which includes, but is not limited to the following: respondent shall not retrieve prescription files or patient files; shall not prepare medication labels; shall not engage in data entry for any pharmacy, shall not count, weigh, measure, pour or compound prescription medication or stock legend drugs and controlled substances; shall not fill an automated medication system; shall not accept authorization for a prescription refill or renewal; shall not handle anything requiring a prescription, including devices and medications; shall not handle prescriptions; and shall not be present within a prescription filling area of a pharmacy.

3. Respondent shall surrender her wall certificate, wallet certificate, and the most recent renewal card of her registration to the Executive Director of the Board by mailing them to Anthony Rubinaccio, Executive Director, Board of Pharmacy, P.O. Box 45013, Newark, New Jersey 07101.

4. Prior to any consideration of an application for reinstatement of respondent's registration, respondent shall:

a. Provide the Board and/or Committee with evidence that she is capable of discharging the functions of a registrant in a manner consistent with the public's health, safety and welfare and that she is not then suffering from any impairment or limitation resulting from the use of any addictive substance which could affect her practice.

Evidence will include a thorough independent evaluation from an addictions professional pre-approved by the Board who has not previously treated respondent, that she is not suffering from any impairment or limitation resulting from the use of any addictive substance which could affect her practice. The evaluation should include references to any treatment obtained or recommended, as well as any limitations or conditions suggested for respondent's practice if the Board were to reinstate her registration. All costs for the evaluation shall be the responsibility of, and paid directly by, the respondent.

b. Provide the Board with discharge summaries from any in-patient programs and reports from each and every mental health professional (including but not limited to: psychologists, counselors, therapists, psychiatrists) who have participated in respondent's care and/or treatment during the period of time from the date this Order is filed to her application for reinstatement.

c. Provide the Board with a full account of her conduct during the intervening period of time from her resignation from Rite Aid to her application for restoration of her registration.

d. At the discretion of the Board, appear before the Board or a committee thereof to discuss her readiness to reenter practice as a pharmacy technician. At that time, respondent shall be prepared to propose her plans for future practice in New Jersey.

e. Provide documentation of successful completion of all application requirements including a Criminal History Background Check and payment of all reinstatement fees.

5. Respondent expressly waives any claim to privilege or confidentiality that she may have concerning reports and disclosures to the Board, and use by the Board of that information in any license proceedings, including reports and disclosures by any addictions or other mental health professional, or any other person or entity involved in any rehabilitation program.

6. If respondent's registration to practice as a pharmacy technician is reinstated, the Board, in its discretion, may impose any conditions or restrictions on registration it deems necessary to protect the public health, safety and welfare.

7. Any practice in this State in violation of the above conditions shall constitute unlicensed practice and/or grounds for discipline for violation of a Board Order and professional misconduct.
