GAME DESCRIPTION

The Doodle Jump is a single player video redemption game with multiple themes. The player selects the preferred game theme from a menu including: "Classic"; "Jungle"; or "Space". The object of the game is to guide the game character upward toward the "Bonus" prize pad. As the character advances, the player moves the character left to right with a joystick, attempting to land the character on various point value pads. As the character lands on a pad it is propelled upward until reaching the "Bonus" pad area. If the character lands on the "Bonus" pad, the progressive jackpot prize is awarded. If the player fails to land on a pad above the current position, the character will fall and the game will end.

All prizes are dispensed as tickets to the player for prize redemption immediately upon completion of the game.
