Questions 1 through 9 pertain to medical conditions and use of chemical substances. If you answer "Yes" to question 1, you must answer questions 2 and 3. If you have answered "No" to question 1, continue with questions number 4 through 9. If you answer "Yes" to question 7, answer question 8. Please read the definitions below carefully. If you choose to assert the Fifth Amendment, you must do so in writing to the Board office and confirm that by the answer given to questions number 5 and 9. You must fully respond to all other questions on the application. Your application for licensure will be processed if you claim the Fifth Amendment privilege against self-incrimination. You should be aware, however, that you may later be directed by the Attorney General to answer a question which you have refused to answer on the basis of the Fifth Amendment, provided that the Attorney General first grants you immunity afforded by statutory law (N.J.S.A. 45:1-20).

For the purposes of these questions, the following phrases or words have the following meanings:

**"Chemical substances"** is to be construed to include alcohol, drugs or medications, including those taken pursuant to a valid prescription for legitimate medical purposes and in accordance with the prescriber's direction, as well as those used illegally.

**"Currently"** does not mean on the day of, or even in the weeks or months preceding, the completion of this application. Rather, it means recently enough so that the use of drugs may have an ongoing impact on one's functioning as a licensee, or within the past two (2) years.

**"Illegal use of controlled dangerous substances"** means the use of controlled dangerous substances obtained illegally (e.g. heroin or cocaine) as well as the use of controlled dangerous substances which are not obtained pursuant to a valid prescription or not taken in accordance with the directions of a licensed health care practitioner.

6. Does your use of chemical substance(s) in any way impair or limit your ability to practice your profession with reasonable skill and safety? Yes  No
  
- If this question does not apply, check both the "No" box and the "Not Applicable" box. Not applicable
  
7. Are you currently engaged in the illegal use of controlled dangerous substances? (Recall that "currently" is defined as "within the last two years.")  
See Question 9 for the Fifth Amendment option before responding. Yes  No
  
8. If you answered "YES" to Question 7, are you currently participating in a supervised rehabilitation program or professional assistance program which monitors you in order to assure that you are not engaging in the illegal use of controlled dangerous substances? Yes  No
  
9. If you have chosen not to answer question 7 above and instead have submitted a written Fifth Amendment assertion to the Board office, check the "YES" box here. Yes  No

\*\* If you receive such ongoing treatment or participate in such a monitoring program, the Board will make an individualized assessment of the nature, the severity and the duration of the risks associated with an ongoing medical condition so as to determine whether an unrestricted license should be issued, whether conditions should be imposed or whether you are not eligible for licensure.
