

## CONTINUING EDUCATION FOR RENEWAL OF LICENSES

### \*\* ATTENTION LICENSEES \*\*

A Licensee will be required to complete 36(hours) continuing education credits over the next three (3) years, September 1, 2010 through August 31, 2013, in order to qualify for renewal of licenses in 2013. The 36 hours are required for each license you hold - Fire Alarm, Burglar Alarm and/or Locksmith.

However, licensees shall not be required to complete continuing education requirements for the triennial registration period in which they initially received a license.

A Licensee shall complete a minimum of one continuing education credit per triennial registration period in the Barrier Free Subcode, N.J.A.C. 5:23-7; one continuing education credit in the New Jersey Uniform Construction Code, N.J.A.C. 5:23, exclusive of the Barrier Free Subcode, and one continuing education credit in the Americans with Disabilities Act Code, 36 C.F.R. § 1191. A Licensee seeking renewal for a Burglar Alarm License shall complete a minimum of three (3) credits of continuing education in smoke detection systems. The remainder of the 36 continuing education credits may be from a variety of trade-related subjects.

The holder of multiple licenses issued by the Committee may apply a maximum of 12 credits obtained in satisfaction of the 36 credits required for one license toward satisfaction of the 36 continuing education credits required for his or her other Committee-issued license(s).

A licensee who completes more than the minimum continuing education credits set forth above in any triennial registration period may carry no more than eight of the additional credits into a succeeding triennial period.

The entire regulation for Continuing Education, **N.J.A.C. 13:31A-1.12**, can be downloaded from the Advisory Committee's web site.

#### **The following topic codes are applicable for continuing education:**

**TECBA** - Technical Burglar Alarm    **TECFA** - Technical Fire Alarm    **TECBF** - Technical Burglar Alarm & Fire Alarm    **TECLD** - Technical Locks  
**TECES** - Electronic Security    **BUS** - Business    **L/C** - Laws/Codes    **SAF** - Safety

#### **Continuing Education Sponsors Approved By The Advisory Committee**

**The listing will be updated periodically. You may contact the sponsors for information with regard to the titles of programs and scheduling.**
