STATE OF NEW JERSEY
DEPARTMENT OF LAW & PUBLIC SAFETY
DIVISION OF CONSUMER AFFAIRS
STATE BOARD OF MEDICAL EXAMINERS

In the Matter of	:	
AUDREY EISENSTADT, M.D.	:	
Licensed to Practice Medicine and Surgery in the State of New Jersey	:	CONSENT ORDER
	:	

This matter was opened before the New Jersey State Board of Medical Examiners upon its receipt of information that on or about December 14, 1987, an Order was entered by the Commissioner of Education of the State of New York suspending respondent's license to practice medicine in New York for one year, which suspension was stayed and serves as probation. The Order was based upon findings by the Commissioner of Health that respondent had issued seven forged and fraudulent prescriptions for Cylert 37.5mg. and Valium 5mg.

The parties being desirous of resolving this matter without the necessity for further proceedings, and respondent wishing to retain her licensure privilege in this State, and respondent understanding and consenting to the terms of this Order, and the Board being satisfied that the within Order

is adequately protective of the public interest, and good cause therefore being shown for the entry of this Order,

IT IS THEREFORE, on this 1st day of December, 1988,

ORDERED:

1. Respondent's license to practice medicine in the State of New Jersey is hereby suspended for one year, beginning on the filing date of this Order. Said suspension shall be stayed and serve as probation.
2. Respondent shall provide immediate notice to the New Jersey State Board of Medical Examiners of any change in the terms of the New York Order.
3. Prior to engaging in active practice in this State, respondent shall appear before the Board or a committee thereof to respond to questions concerning her status and plans.
