(Order attached hereto and made a part of this Order).

The Board, upon application by Mr. Hartung, and in consideration of testimony offered by Mr. Hartung before the Impaired Pharmacist Committee June 15, 1992 in support of that application, finds good cause to modify paragraph three of the prior Board Order of January 10, 1990.

IT IS THEREFORE, ON THIS 22<sup>nd</sup> DAY OF July 1992,

28 R I O 15876 00

*Edith Micale, R.P.*  
Edith Micale, R.P., President

Respondent appeared before the Board of Pharmacy on December 13, 1989 and testified as to his past gambling addiction and his present course of rehabilitation.

It appearing that respondent admits to improperly diverting prescription legend drugs from the St. Joseph's Hospital and Medical Center pharmacy stock with the intent to sell said drugs, and respondent having satisfied the Board that he intends to continue treatment, and it further appearing that the parties wish to resolve this matter without the necessity of further formal proceedings, and for good cause shown,

IT IS THEREFORE, on this 10<sup>th</sup> day of JAN. 1990,

ORDERED AND AGREED:

1. The license of Glen Michael Hartung, R.P., to practice pharmacy in the State of New Jersey is hereby suspended for five years with credit for the time since July 20, 1989, that he has voluntarily refrained from practicing pharmacy. 2. Respondent shall be on probation for the duration of the stayed suspension commencing January 20, 1991, subject to compliance with paragraph 3 through 9 herein. If respondent violates any of the provisions of paragraph 3 through 9 herein or any of the statutes and regulations governing the profession of pharmacy in the State of New Jersey, and the United States of America, the Board may initiate proceedings to revoke his probationary status

and to actively suspend or revoke his license to practice pharmacy.

3. Respondent shall not be a pharmacist-in-charge or a permit holder of any pharmacy in this State during the entire period of probation.

4. Respondent hereby consents to the entry of an Order of automatic suspension of his license without notice upon the Board's receipt of any reliable information such as, but not limited to, a report of a confirmed positive urine from the party responsible for monitoring respondent's urine, or information from any out-patient program or counselor which reveals evidence of substance abuse or gambling during the probationary period.

5. Respondent shall have the right to apply for removal of the automatic suspension on two (2) days notice but in such event shall be limited to a showing that urine tested was not his or was a false positive, in the case of urine testing, or that other information submitted was false.

6. For the duration of the probationary period, respondent shall continue to comply with the Physicians' Health Program and shall cause the Board to receive quarterly reports from same. Positive urines and/or other information tending to show substance abuse or gambling shall be reported to the Board immediately.

Respondent shall cause the Board to receive a letter acknowledging the employer's receipt of the notice required by this paragraph.

9. At any time during the probation period the Board may require the appearance of respondent at a meeting for a status conference.
