

the Board encouraged Dr. Fogari to seek additional training or residency both in New Jersey and beyond its borders. Dr. Fogari has now informed the Board that he succeeded in obtaining an offer to participate in a fellowship in rheumatology in Pennsylvania for a 20 month period, contingent upon receipt of a New Jersey license. The Board has determined to issue a license limited to the specific training program which has offered Dr. Fogari a position. All other provisions of this Board's prior order denying reinstatement and granting permit shall remain effective as modified below.

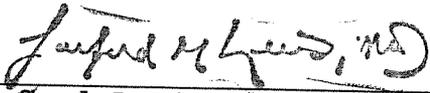

IT IS THEREFORE ON THIS 27th DAY OF October , 1992,

ORDERED:

1. That Dr. Robert A. Fogari is hereby granted a limited license for the sole purpose of engaging in the activities specified in paragraph number 2.
2. That the medical practice of Dr. Robert A. Fogari shall be restricted to a fellowship in rheumatology at Thomas Jefferson University, Jefferson Medical College, Philadelphia, Pennsylvania, under supervision.
3. Dr. Fogari shall be responsible to insure that a status report shall be received from the fellowship program regarding his participation and progress by the Director of such program every month during its course, beginning 30 days after the commencement of the fellowship. Dr. Fogari's continued limited licensure shall be conditioned upon his continued adequate performance as determined by the Board.
4. Following successful conclusion of three years of residency/fellowship training, Dr. Fogari may appear before a Committee

of the Board of Medical Examiners which will review his progress and consider reinstatement of his license. For that purpose, the fellowship in rheumatology shall satisfy 24 months of the 36 month period so long as it is no less than 20 months in duration. At such time as the Board considers reinstatement of license, the Board may prescribe additional requirements or restrictions on Dr. Fogari's practice which shall include but not be limited to a requirement that he shall never again engage in any drug study or research in the State of New Jersey.

STATE BOARD OF MEDICAL EXAMINERS
