Administrative Action

CONSENT ORDER

This matter was opened to the New Jersey State Board of Dentistry ("Board") upon receipt of a patient complaint from Wanda Santana concerning dental treatment performed by the respondent at Dental 2000, a dental facility in Totowa, N.J., consisting, in pertinent part, of post and core for tooth #14 and root canal therapy for tooth #15. The Board reviewed the entire record in this matter consisting of the patient's charts, X-rays, insurance records, the records of the subsequent treating dentists, and further information acquired at an investigative inquiry attended by the respondent on May 26, 1993. This review disclosed that the teeth were not properly isolated during endodontic treatment. It further appears to the Board that the

root canals were poorly obturated and filled. It also appears to the Board that there was a failure to properly diagnose and treat dental pain.

It appearing that the respondent desires to resolve this matter without recourse to formal proceedings and for good cause shown;

IT IS ON THIS 29 DAY OF Sept , 1993

HEREBY ORDERED AND AGREED THAT:

1. Respondent shall cease and desist from performing any endodontic treatment until she shall successfully complete twenty-eight (28) hours of continuing education in basic endodontic treatment, and fourteen (14) hours of continuing education in basic post and core treatment for a total of forty-two (42) hours of continuing education. These courses shall be approved by the Board in writing prior to attendance utilizing the attached Pre-Approval Sheet, and the courses must be completed no later than six (6) months from the entry date of the within Order. Respondent also shall be required to complete the attached Continuing Education Report and Proof of Attendance as proof of successful completion of the required course work. The attached forms are made a part of the within Order, and a separate form is to be used for each course. Said continuing education ordered herein shall be in addition to, and not a part

of, the mandatory continuing education currently required for dentists.

MARVIN A. GROSS, D.D.S.
President
State Board of Dentistry

I have read and understand the within Order and agree to be bound by its terms. Consent is hereby given to the Board to enter this Order.
