This matter comes before the New Jersey State Board of Dentistry ("Board") on remand from the New Jersey Supreme Court in accordance with its opinion rendered on December 16, 1993. Prior to the commencement of further administrative hearings the parties held discussions through counsel for the purpose of resolving the matter of Dr. Limongelli's petition for reinstatement of licensure on a consensual basis. The Board's primary concern was the fact that Dr. Limongelli had not practiced dentistry in the State of New Jersey at least since the date of the revocation of his license on January 9, 1986. The Board finding that the public health and welfare will be adequately protected so long as Dr. Limongelli demonstrates the knowledge and skill necessary to the proper and competent

practice of dentistry prior to relicensure and Dr. Limongelli acknowledging that such demonstration of competence is a fair and necessary condition for relicensure and for other good cause shown;

IT IS ON THIS 30 DAY OF ^{August} ~~JULY~~, 1994,

HEREBY ORDERED AND AGREED THAT:

1. The Board shall issue a license to practice dentistry in the State of New Jersey upon condition that William Limongelli, D.D.S. passes all parts of the Northeast Regional Board Examination. The successful passing of said examinations shall be deemed achieved upon receipt by the Board of certification of passing scores on all parts from the Northeast Regional Board.
