TAKE NOTICE that a Complaint, copy annexed hereto has been made to the New Jersey State Board of Chiropractic Examiners to consider the matter of the suspension or revocation of your license to practice chiropractic pursuant to the authority conferred upon the Board by N.J.S.A. 45:9-41.6 et seq., N.J.S.A. 45:1-14 et seq., laws pertinent to your profession and related administrative regulations. The Board requires you to file an

answer to the above charge within ten (10) days from service of the Complaint. You may file an answer by mail to the address below.

An admission that the Complaints correct will indicate that you do not contest the charges stated, thus rendering unnecessary any hearing in this proceeding. Your case will then be presented to the Board of Chiropractic Examiners together with any written matter you may submit with your plea in alleged mitigation of penalty, for a determination as to whether your license to practice should be suspended or revoked or a lesser sanction imposed and whether monetary penalties shall be assessed and, if so, the amount thereof pursuant to the authority conferred upon the Board by N.J.S.A. 45:9-41.6 et seq. and N.J.S.A. 45:1-14 et seq.

A denial of the Complaint will result in a formal hearing being conducted at a date, time and place to be determined by the New Jersey Board of Chiropractic Examiners which, upon notice to you, will hear the Complaint or refer the matter to the Office of Administrative Law. Adjournments will not be granted except upon timely written application to the Board and costs incurred as a result thereof may be taxed to you. You may appear at the hearing either in person or by attorney or both and you shall be afforded an opportunity to make defense to any or all of the charges.

Failure to respond to this Notice of Hearing and Notice to File an Answer or failure to appear as set forth herein may result in the matter being considered in your absence. A decision

rendered by the Board may affect your privilege to practice your licensed profession in this State.
