Re: Case Number 95-50
Nuria Blanco

Dear Dr. Coyle:

The New Jersey State Board of Veterinary Medical Examiners had the opportunity to meet with you for an investigative inquiry on July 31, 1996 relative to the above-captioned matter.

This is to advise you that, based upon your testimony and a review of the records presented at the meeting, the Board found no cause of action in connection with your treatment of Ms. Blanco's dog Attila. However, the Board found that you engaged in professional misconduct in that you failed to respond to official Board correspondence, in violation of N.J.A.C. 13:45C-1.1. Pursuant to the provisions of N.J.S.A. 45:1-22(b), the Board has assessed a civil penalty of \$2,500 plus costs in the amount of \$116.93.

You are hereby afforded the opportunity to dispose of this matter without a hearing and without recourse to litigation by executing the attached form and returning it to the Board within ten (10) days together with your remittance made payable to the Board of Veterinary Medical Examiners in the amount of \$2616.93.

If you wish a formal hearing in this matter, you may request same within ten (10) days of the date of this letter. At the time of hearing, you may appear with counsel of your choice and with witness and documentary evidence. At that time, the Board will not be bound to the terms stated in this letter and may after presentation and evaluation of all the evidence presented, impose any of the sanctions contained in N.J.S.A. 44:1-22 which include revocation or suspension of licensure.

If you do not reply to this letter within the required ten (10) day period, then the Board will make its determination on the evidence in the record and will take such action as may be allowed by law, which may include additional penalties pursuant to N.J.S.A. 45:1-21 based on your failure to respond to this official Board correspondence.

Very truly yours,
