Dear Dr. Scavelli:

This is to advise you that the Board of Veterinary Medical Examiners has received and reviewed certain information regarding activity in which you were engaged as a Board licensee. The Board's initial review discloses what appears to be a violation of N.J.A.C. 13:44-4.9(a) in that you failed to keep proper patient records.

You are hereby offered the opportunity to settle this matter and avoid the initiation of formal disciplinary proceedings by signing the enclosed certification and paying a civil penalty of \$1,000.00. Alternatively, you may waive your right to a hearing and submit a written statement or explanation to the Board. The Board will then consider this statement and render a final decision. You may also request a hearing in which case the matter will be scheduled, and this notice will serve as a complaint. At the hearing you may, either personally or with the assistance of an attorney, submit such testimony or other evidence as you may deem necessary in order for the Board finally to determine whether the unlawful acts set forth herein have been proven.

You should also be aware that upon final evaluation of the evidence submitted at the hearing, the Board may, if unlawful acts are found to exist, assess civil penalties in an amount greater than that herein offered in settlement. Additionally, the Board may, if the facts warrant, to enter an order requiring the restoration of any monies acquired by unlawful acts, the payment of costs and directing that you cease and desist from continued use of those acts found to be lawful.

The enclosed certification must be returned to the Board with your indicated course of action within ten (10) days following receipt hereof. In the event that the Board receives no response within ten (10) days, the Board will consider you in default, the allegations contained herein shall be deemed admitted, and the Board will proceed to review finally this matter and enter appropriate final order.

Yours very truly,

Vincent Buonanno
