RE: File #99-046 - "Pepper" Emigholz

Dear Dr. Sima:

This is to advise you that the New Jersey State Board of Veterinary Medical Examiners has received and reviewed certain information regarding activity in which you were engaged as a Board licensee. The Board's initial review discloses what appears to be a violation of N.J.S.A. 45:1-21.d, repeated acts of negligence, malpractice or incompetence for your failure to perform blood work on "Pepper", for your failure to hospitalize this patient, and for your failure to perform a fecal parvo test.

You are hereby offered the opportunity to settle this matter and avoid the initiation of formal disciplinary proceedings by signing the enclosed certification and paying a civil penalty in the amount of \$750. Alternatively, you may waive your right to a hearing and submit a written statement or explanation to the Board. The Board will then consider this statement and render a final decision. You may also request a hearing in which case the matter will be scheduled, and this notice will serve as a complaint. At the hearing you may, either personally or with the assistance of an attorney, submit such testimony or other evidence as you may deem necessary in order for the Board to finally determine whether the unlawful acts set forth herein have been proven.

You should also be aware that upon final evaluation of the evidence submitted at the hearing, the Board may, if unlawful acts are found to exist, assess civil penalties in an amount greater than that herein offered in settlement. Additionally, the Board may, if the facts are found to so warrant, enter an order requiring the restoration of any monies acquired by unlawful acts, the payment of costs and directing that you cease and desist from continued use of those acts found to be unlawful.

In the event that the Board receives no response within ten (10) days, the Board will consider you in default, the allegations contained herein shall be deemed uncontested, and the Board will proceed to finally review this matter and enter an appropriate final order.

Yours very truly,

STATE BOARD OF VETERINARY
