This matter was opened to the State Board of Dentistry upon receipt of information provided through the Drug Enforcement Agency, that respondent had written prescriptions for controlled dangerous substances in names of patients and/or relatives and had obtained those prescriptions for personal use. On March 23, 2000, respondent admitted the conduct set forth above, agreed to cease practicing dentistry in this State, and gave his biennial registration, CDS registration, DEA registration, and prescription pads bearing his name to investigators from the Enforcement Bureau, Division of Consumer Affairs. Respondent has agreed to the

voluntarily surrender his license to practice dentistry in the State of New Jersey without prejudice and in accordance with the terms of this Order. The Board finds the terms of this consent order to be adequately protective of the public health, safety and welfare.

IT IS, therefore, on this 25 day of MARCH, 2000,
ORDERED THAT:

1. Respondent, Norman H. Kurtzman, D.D.S., shall immediately surrender his license to practice dentistry in the State of New Jersey for a minimum period of six months from the entry date of this Order.

2. Respondent shall comply with the attached directives for dentists whose surrender of licensure has been accepted by the Board, which are incorporated herein by reference.

3. Prior to any restoration of his license, respondent shall:

- a. Appear before the Board or a committee of the Board to discuss his readiness to reenter the practice of medicine. At that time respondent shall be prepared to propose his plans for future practice in New Jersey.
- b. Provide the Board with evidence that he is capable of discharging the functions of a licensee in a manner consistent with the public's health, safety and welfare and that he is not then suffering from any impairment or limitation resulting from the use

of any CDS or other substance, whether legal or illegal, which could affect his practice.

- c. Provide the Board with reports from each and every mental health professional (including but not limited to: psychologists, counselors, therapists, psychiatrists) who have participated in respondent's care and/or treatment for the disability in this matter during the period of time from his entry into treatment to his appearance.
- e. Provide the Board with a report from the Physicians Health Program or the New Jersey Dental Association Chemical Dependency Program detailing the nature and extent of his involvement with that entity, if any.
- f. Affirmatively establish his fitness, competence and capacity to re-enter the active practice of dentistry within New Jersey.
- g. Provide the Board with a full account of his conduct during the intervening period of time from his entry into treatment to his appearance pursuant to this Order.

4. The parties hereby stipulate that entry of this Order is without prejudice to further action by this Board or other law enforcement entities resulting from respondent's conduct.
