DANIEL C. GOLDBERG, Ph.D.
LICENSE NO. SI2059

CONSENT ORDER

TO PRACTICE PSYCHOLOGY IN THE
STATE OF NEW JERSEY
_____)

This matter was first opened to the State Board of Psychological Examiners ("Board") upon notification that respondent had been indicted on criminal charges. Thereafter, respondent entered into an interim order of surrender of licensure on August 14, 1997. A Verified Complaint was filed by former Attorney General Peter Verniero by Deputy Attorney General Jeri L. Warhaftig on November 3, 1997. The complaint alleged that respondent, a licensed psychologist in this State, had engaged in violations of N.J.S.A. 45:1-21(c), (d), (e), (h), (i) and N.J.S.A. 45:9-6. Respondent then agreed to a second consent order pursuant to which

a hearing on the complaint awaited resolution of the criminal charge. The second consent order was filed December 15, 1997. On January 24, 2000 Respondent submitted an Answer which neither admitted nor denied the charges. The criminal charges against respondent have now been dismissed.

The Board noting that the criminal charges have been dismissed, respondent being desirous of avoiding further formal proceedings and the Board having determined that the within disposition is adequately protective of the public health, safety and welfare,

IT IS ON THIS 22nd DAY OF June, 2000;

ORDERED:

1. The license of respondent Daniel C. Goldberg, Ph.D. to practice psychology in the State of New Jersey is hereby suspended for a period of three years, nine months effective nunc pro tunc August 14, 1997. The first two years, nine months of the suspension shall be deemed an active suspension and, having commenced on August 14, 1997 shall be deemed terminated May 14, 2000. The remaining twelve months of the suspension shall be stayed and served as a period of probation which shall conclude on May 14, 2001.

2. Respondent is hereby reprimanded for conduct violative of N.J.S.A. 45:1-21(d) (e) and N.J.A.C. 13:42-10.9 (e) (1).

3. The respondent's authority to practice psychology during the one year of probation following the active period of suspension shall be expressly limited and contingent upon strict compliance with the following terms and conditions:

A. Respondent shall practice psychology only under the supervision of a New Jersey licensed psychologist approved by the Board. Prior to entry of this order, respondent has submitted the name and credentials of Jack Pular, Ph.D. and Dr. Pular has been approved as respondent's supervisor. In the event that Dr. Pular is unable to serve as a supervisor or respondent desires a substitute supervisor, respondent shall submit to the Board names of proposed supervisors (with copies of their curriculum vitae) and respondent shall not engage in the practice of psychology until he has received written approval from the Board of a substitute supervisor. In the event that respondent is unable to obtain a supervisor, he may request that the Board make recommendations for an approved supervisor. Respondent shall be required to obtain one hour of supervision for every ten patient hours or any fraction thereof. Said supervision shall continue for the entire period of probation. The respondent shall cause his approved supervisor to submit monthly reports to the Board during

the first six months of supervision commencing the first day of the month following commencement of practice by respondent. The supervisor's report shall provide an informed evaluation of the respondent's patient treatment and professional practice. After the expiration of the first six months of the supervised period, the supervisor shall provide quarterly reports to the Board concerning the supervision of respondent's professional practices for the remainder of the period of probation.

B. Respondent shall not provide psychological services to any women during the period of probation, including women seen as part of a couple in marital therapy. Notwithstanding the foregoing, however, respondent shall be permitted to provide educational, workshop-type experiences to groups with no less than six participants which may include women.

C. Respondent shall continue in individual therapy during the period of probation with Dr. Goodheart. Respondent shall cause Dr. Goodheart to submit to the Board quarterly reports providing the dates of attendance in therapy and a statement that respondent is satisfactorily participating in the therapy process. In the event that Dr. Goodheart recommends the termination of therapy, a report to that effect shall be submitted to

the Board, and respondent shall not terminate therapy until written approval has been received from the Board.

4. No later than two months prior to the termination of the probationary period, respondent shall submit to a comprehensive psychological evaluation upon referral from the Board to an approved psychologist. Respondent may submit names and credentials of proposed licensees to conduct the evaluation with a certification that he has no professional or other relationship with the proposed psychologist. The Board shall make the referral and if the report recommends any additional rehabilitative activities such as a limitation on practice or additional therapy, the Board may continue the period of probation while respondent complies with the recommendations.

5. Respondent shall pay the investigative costs incurred by the Board in this matter in the amount of \$492.58.

6. Respondent shall be assessed a civil penalty in this matter in the amount of \$5,000.

7. The costs and civil penalty total \$5,492.58 and shall be paid over one year at the Court Rule rate of 5% annual interest. Payment shall be made in the form of 12 equal monthly installments of \$470.20. Payments shall be delivered to the Board no later than the fifth day of each month commencing with June, 2000. The Board reserves its right to file a Certificate of Debt for the full

amount due. Failure to make timely payments shall be considered a violation of this Order.

8. It is expressly understood and agreed that continued licensure with restrictions as ordered herein is contingent upon strict compliance with all of the terms of this Order. Upon the Board's receipt of any information indicating that any term of the within order has been violated in any manner whatsoever, a hearing shall be held on reasonable notice, consistent with due process of law, before the Board or before its representative authorized to act on its behalf. The proofs at such a hearing shall be limited to evidence of the particular violation at issue and any defense or mitigation. If sustained, such violation may cause the activation

of the remaining stayed portion of the suspension, an extension of the period of probation or other appropriate remedy.
