**FRANCISCO R. CARBONE, Y.D.**

FINAL ORDER  
OF DISCIPLINE

TO PRACTICE MEDICINE AND SURGERY  
IN THE STATE OF NEW JERSEY

This matter was opened to the New Jersey State Board of Medical Examiners upon receipt of information which the Board has reviewed and on which the following findings of fact and conclusions of law are made;

FINDINGS OF FACT

1. Respondent, Francisco R. Carbone, M.D., License No. MA 053686, is a physician licensed in the State of New Jersey. As a consequence of Respondent's failure to submit his biennial renewal in 1991, Respondent's license to practice medicine and surgery in the State of New Jersey was automatically suspended pursuant to N.J.S.A. 45:9-6.1, which allows for reinstatement upon payment of certain fees. Respondent is also licensed to practice medicine in the State of Connecticut. His Connecticut license is currently restricted and he is on probation for a period of five years beginning on October 2, 2000.

**CERTIFIED TRUE COPY**

2. On October 2, 2000, a Consent Order was entered by Dr. Carbone and the State of Connecticut Department of Public Health Bureau of Regulatory Services ("Department"), In that Order, Respondent admits that he appeared in U.S. District Court and pleaded guilty to one count of Violation of Medicare/Medicaid Anti-Kickback Statute and one count of Filing a False Tax Return. The Department found that the aforementioned conduct constitutes grounds for disciplinary action pursuant to the General Statutes of Connecticut, §19a-13(B) and §20-13c(4).

3. Under the terms of the Order, Respondent was assessed a civil penalty in the amount of one thousand dollars (\$1,000.00), and was placed on probation for a period of five years provided he obtain, at his own expense, an independent auditor, approved by the Department, to act as a supervisor.

#### CONCLUSIONS OF LAW

1 The above actions provide grounds to take disciplinary action against Respondent's license to practice medicine and surgery in New Jersey pursuant to N.J.S.A. 45:1-21(f) in that Respondent has been convicted of a crime involving moral turpitude or relating adversely to the activity regulated by the Board.

2. The above actions provide grounds to take disciplinary action against Respondent's license to practice medicine and surgery in New Jersey pursuant to N.J.S.A. 45:1-21(e) in that Respondent has engaged in professional or occupational misconduct.

Based on the foregoing findings and conclusions, a Provisional Order of Discipline suspending respondent's license to practice medicine and surgery in the State of New Jersey was entered on August 1, 2002 and a copy was forwarded to respondent at the last known address on file with the Board. The Provisional Order was subject to finalization by the Board at 5:00 p.m. on the 30<sup>th</sup> business day following entry unless respondent requested a modification or dismissal of the stated Findings of Fact or Conclusions of Law by submitting a written request for modification or dismissal setting forth in writing any and all reasons why said findings and conclusions should be modified or dismissed and submitting any and all documents or other written evidence supporting respondent's request for consideration and reasons therefor.

Although the record reflects that the Provisional Order was served upon respondent, no response has been received to date. Accordingly, the Board considered the matter, determined that further proceedings were not necessary and the Provisional Order should be made final.

ACCORDINGLY, IT IS on this 30th day of Dec 2002, ORDERED that:

1. Respondent's New Jersey license is suspended beginning on

the day this Order becomes final.

2. Prior to resuming active practice in New Jersey, Respondent shall be required to appear before the Board (or a committee thereof) to demonstrate fitness to resume practice and the successful completion of the probationary period in Connecticut, and any practice in this State prior to said appearance shall constitute grounds for the charge of unlicensed practice. In addition, the Board reserves the right to place restrictions on Respondent's practice should his license be reinstated.

**APPROVED BY THE BOARD ON MAY 10, 2000**

All licensees who are the subject of a disciplinary order of the Board are required to provide the information required on the Addendum to these Directives. The information provided will be maintained separately and will not be part of the public document filed with the Board. Failure to provide the information required may result in further disciplinary action for failing to cooperate with the Board, as required by N.J.A.C. 13:45C-1 et seq. Paragraphs 1 through 4 below shall apply when a license is suspended or revoked or permanently surrendered, with or without prejudice. Paragraph 5 applies to licensees who are the subject of an order which, while permitting continued practice, contains a probation or monitoring requirement.

**1. Document Return and Agency Notification**

The licensee shall promptly forward to the Board office at Post Office Box 183, 140 East Front Street, 2nd floor, Trenton, New Jersey 08625-0183, the original license, current biennial registration and, if applicable, the original CDS registration. In addition, if the licensee holds a Drug Enforcement Agency (DEA) registration, he or she shall promptly advise the DEA of the licensure action. (With respect to suspensions of a finite term, at the conclusion of the term, the licensee may contact the Board office for the return of the documents previously surrendered to the Board. In addition, at the conclusion of the term, the licensee should contact the DEA to advise of the resumption of practice and to ascertain the impact of that change upon his/her DEA registration.)

**2. Practice Cessation**

The licensee shall cease and desist from engaging in the practice of medicine in this State. This prohibition not only bars a licensee from rendering professional services, but also from providing an opinion as to professional practice or its application, or representing him/herself as being eligible to practice. (Although the licensee need not affirmatively advise patients or others of the revocation, suspension or surrender, the licensee must truthfully disclose his/her licensure status in response to inquiry.) The disciplined licensee is also prohibited from occupying, sharing or using office space in which another licensee provides health care services. The disciplined licensee may contract for, accept payment from another licensee for or rent at fair market value office premises and/or equipment. In no case may the disciplined licensee authorize, allow or condone the use of his/her provider number by any health care practice or any other licensee or health care provider. (In situations where the licensee has been suspended for less than one year, the licensee may accept payment from another professional who is using his/her office during the period that the licensee is suspended, for the payment of salaries for office staff employed at the time of the Board action.)

A licensee whose license has been revoked, suspended for one (1) year or more or permanently surrendered must remove signs and take affirmative action to stop advertisements by which his/her eligibility to practice is represented. The licensee must also take steps to remove his/her name from professional listings, telephone directories, professional stationery, or billings. If the licensee's name is utilized in a group practice title, it shall be deleted. Prescription pads bearing the licensee's name shall be destroyed. A destruction report *form* obtained from the Office of Drug Control (973-504-6558) must be filed. If no other licensee is providing services at the location, all medications must be removed and returned to the manufacturer, if possible, destroyed or safeguarded. A licensee who is a shareholder in a professional service corporation organized to engage in the professional practice, whose license is revoked, surrendered or suspended for a term of one (1) year or more shall be deemed to be disqualified from the practice within the meaning of the Professional Service Corporation Act. (N.J.S.A. 14A:17-11). A disqualified licensee shall divest him/herself of all financial interest in the professional service corporation pursuant to N.J.S.A. 14A:17-13(c). A licensee who is a member of a limited liability company organized pursuant to N.J.S.A. 42:1-44, shall divest him/herself of all financial interest. Such divestiture shall occur within 90 days following the the entry of the Order rendering the licensee disqualified to participate in the applicable form of ownership. Upon divestiture, a licensee shall forward to the Board a copy of documentation forwarded to the Secretary of State, Commercial Reporting Division, demonstrating that the interest has been terminated. If the licensee is the sole shareholder in a professional service corporation, the corporation must be dissolved within 90 days of the licensee's disqualification.
