JONATHAN A. WISE, P.E.	:	FINAL ORDER
License No. 27279	:	OF DISCIPLINE
	:	
TO PRACTICE ENGINEERING	:	
IN THE STATE OF NEW JERSEY	:	

This matter was opened to the New Jersey State Board of Professional Engineers and Land Surveyors upon receipt of information which the Board has reviewed and on which the following preliminary findings of fact and conclusions of law are made;

FINDINGS OF FACT

1. Respondent, Jonathan A. Wise, P.E., License No. 27279, is an engineer licensed in the State of New Jersey.
2. The Respondent failed to submit a biennial renewal application to renew his license to practice engineering in the State of New Jersey, which was due on or before May 31, 2002.
3. The Respondent submitted an Application for Reinstatement dated October 21, 2002. In Respondent's application, he admitted

that he worked on various projects and practiced engineering without a license between July 1, 2002 and October 21, 2002.

CONCLUSIONS OF LAW

1. The Respondent's practice of engineering from July 1, 2002 until October 21, 2002 constitutes the unlicensed practice of engineering in violation of N.J.S.A. 45:8-27 and N.J.S.A. 45:8-39.

DISCUSSION ON FINALIZATION

Based on the foregoing findings and conclusions, a Provisional Order of Discipline ("POD") was entered by this Board on January 27, 2003 and served by regular and certified mail upon Respondent. The green receipt card was executed on January 31, 2003 and returned to the Board Office. The POD was subject to finalization by the Board at 5:00 p.m. on the 30th business day following entry unless Respondent requested a modification or dismissal of the stated Findings of Fact or Conclusions of Law by submitting a written request for modification or dismissal setting forth in writing any and all reasons why said findings and conclusions should be modified or dismissed and submitting any and all documents or other written evidence supporting Respondent's request for consideration and reasons therefor. A response by Respondent, and on his behalf, was received advising that he was unaware that his license had lapsed. However, the Board was unpersuaded by this response.

Upon review of all relevant information, the Board has determined that further proceedings are unnecessary and that there is a sufficient basis to take disciplinary action against Respondent's license based on his admissions that he practiced engineering in the State of New Jersey without a license.

ACCORDINGLY, IT IS on this 26th day of MARCH, 2003,
ORDERED that:

1. Respondent shall be, add hereby is, reprimanded.
2. Respondent shall pay a civil penalty in the amount of \$500.00 within thirty (30) days of the entry of a Final Order of Discipline. If Respondent fails to pay the civil penalty within the stated time period, then a Certificate of Debt shall be issued.
