Administrative Action

GLEN S. POLLER, D.C. :
License No. MC 3830 :

PROVISIONAL ORDER :
OF DISCIPLINE :

TO PRACTICE CHIROPRACTIC :
IN THE STATE OF NEW JERSEY :

This matter was opened to the New Jersey State Board of Chiropractic Examiners upon receipt of information which the Board has reviewed and on which the following preliminary findings of fact and conclusions of law are made;

FINDINGS OF FACT

1. Respondent is a chiropractor in the State of New Jersey and has been a licensee at all times relevant hereto.

2. On October 15, 2002, Respondent pleaded guilty to the crime of Employing a Runner, in violation of N.J.S.A. 2C:21-22.1, in Superior Court in Hudson County, New Jersey . Specifically:

Respondent admitted that between October 30, 2000 and February 15, 2001, in West New York, New Jersey, he paid a "runner" for the purpose of obtaining business for his chiropractic office. (Copy of the Judgment of Conviction annexed hereto and made a part hereof)

3. The following sentence was ordered: Probation for two (2) years; 150 hours of community service; and a fine of \$1000.00.

CONCLUSIONS OF LAW

1. The above conviction provides grounds for the suspension of Respondent's license to practice chiropractic in New Jersey pursuant to N.J.S.A 45:1-21(f) in that the crime of which Respondent was convicted is one of moral turpitude and/or relates adversely to the practice of chiropractic.

ACCORDINGLY, IT IS on this 17th day of April, 2003,

ORDERED that:

1. Respondent's license to practice chiropractic shall be, and hereby is, suspended for a period of two (2) years beginning on the date upon which this order becomes final; except that one (1) year of said suspension shall be stayed and become a period of probation. Such stayed period of suspension shall be activated upon a showing of Respondent's non-compliance with any of the terms and conditions set forth herein.

2. During the period of active suspension, Respondent shall not practice chiropractic and shall successfully complete and pass the ProBE (Professional Problem Based Ethics) course offered by: The Ethics Group, 89 Summit Avenue, Suite 185, Summit, New Jersey 07901. Documentation of the full and successful completion of the ProBE course shall be provided to the Board.

3. Respondent is hereby assessed civil penalties, pursuant to N.J.S.A. 45:1-22(b), in the amount of \$5,000.00 for conduct with respect to the aforesaid conviction. Payment for the civil penalties shall be submitted no later than 21 days from the date upon which this order becomes final by certified check or money order made payable to the State of New Jersey, and shall be sent to: Kevin B. Earle, Executive Director, Board of Chiropractic Examiners at 124 Halsey Street, Sixth Floor, Newark, New Jersey 07101.

4. Prior to resuming active practice on probation in New Jersey, Respondent shall be required to appear before the Board (or a committee thereof) to demonstrate his fitness to resume practice. Any practice in this State prior to formal reinstatement of license on probation by the Board shall constitute grounds for a charge of unlicensed practice. In addition, the Board reserves the right to place restrictions on Respondent's practice should his license be reinstated.

5. The within Order shall be subject to finalization by the Board at 5:00 p.m. on the 30th business day following entry hereof unless Respondent requests a modification or dismissal of the above stated Findings of Fact or Conclusions of Law by:

a) Submitting a written request for modification or dismissal to Kevin B. Earle, Executive Director, State Board of Chiropractic Examiners, 124 Halsey Street, Sixth Floor, Newark, New Jersey 07101.

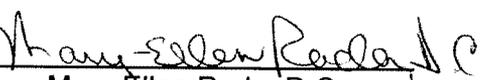

b) Setting forth in writing any and all reasons why said findings and conclusions should be modified or dismissed.

c) Submitting any and all documents or other written evidence supporting Respondent's request for consideration and reasons therefor, including any reasons for mitigation of the sanctions imposed.

6. Any submissions will be reviewed by the Board, and the Board will thereafter determine whether further proceedings are necessary. If no material discrepancies are raised through the submission by Respondent during the thirty-day period, or if the Board is not persuaded that submitted materials merit further consideration, a Final Order of Discipline will be entered.

7. In the event that Respondent's submissions establish a need for further proceedings, including, but not limited to, an evidentiary hearing, Respondent shall be notified with regard thereto. In the event that an evidentiary hearing is ordered, the preliminary findings of fact and conclusions of law contained herein shall serve as notice of the factual and legal allegations in such proceeding.
