License No. 22254

TO PRACTICE ENGINEERING AND

OF NEW JERSEY

Administrative Action

FINAL ORDER
OF DISCIPLINE

This matter was opened to the New Jersey State Board of Professional Engineers and Land Surveyors upon receipt of information which the Board has reviewed and on which the following findings of fact and conclusions of law are made;

FINDINGS OF FACT

1. Respondent, William A. Rogers, Jr., P.E., P.L.S., License No. 22254, is an engineer and land surveyor licensed in the State of New Jersey.

2. The Respondent failed to submit a biennial renewal application to renew his license to practice engineering and land surveying in the State of New Jersey, which was due on or before May 31, 2002.

3. The Respondent submitted an Application for Reinstatement dated September 19, 2003. In Respondent's application, he admitted that he worked on projects and practiced during the time his license was expired. Respondent was reinstated on or about October 8, 2003.

CONCLUSIONS OF LAW

1. The Respondent's practice of engineering and land surveying during the time his license was expired constitutes the unlicensed practice of engineering and land surveying in violation of N.J.S.A. 45:8-27 and N.J.S.A. 45:8-39.

DISCUSSION ON FINALIZATION

Based on the foregoing findings and conclusions, a Provisional Order of Discipline ("POD") was entered by this Board on December 8, 2003 and served by regular and certified mail upon Respondent. The POD was subject to finalization by the Board at

5:00 p.m. on the 30th business day following entry unless Respondent requested a modification or dismissal of the stated Findings of Fact or Conclusions of Law by submitting a written request for modification or dismissal setting forth in writing any and all reasons why said findings and conclusions should be modified or dismissed and submitting any and all documents or other written evidence supporting Respondent's request for consideration and reasons therefor.

Respondent responded with payment of the penalty on or about December 17, 2003. Therefore, the Board has determined that further proceedings are unnecessary and that there is a sufficient basis to take disciplinary action against Respondent's license based on his admissions.

ACCORDINGLY, IT IS on this 27 day of February, 2004,

ORDERED that:

1. Respondent shall be, and hereby is, reprimanded.
2. Respondent shall pay a civil penalty in the amount of \$1,000.00, which the Board acknowledges has been paid.
