IN THE MATTER OF

MICHAEL J. ABRAHAMS, P.E.  
License No. 36842

TO PRACTICE ENGINEERING  
IN THE STATE OF NEW JERSEY

Administrative Action

FINAL ORDER  
OF DISCIPLINE

This matter was opened to the New Jersey State Board of Professional Engineers and Land Surveyors upon receipt of information which the Board has reviewed and on which the following findings of fact and conclusions of law are made;

### FINDINGS OF FACT

1. Respondent, Michael J. Abrahams, P.E., License No. 36842, is an engineer licensed in the State of New Jersey.

2. The Respondent failed to submit a biennial renewal application to renew his license to practice engineering in the State of New Jersey, which was due on or before May 31, 2002.

3. The Respondent submitted an Application for Reinstatement dated September 9, 2003. In Respondent's application, he admitted that he worked on projects and practiced engineering during the time his license was expired. Respondent was reinstated on or about October 22, 2003.

### CONCLUSIONS OF LAW

1. The Respondent's practice of engineering during the time his license was expired constitutes the unlicensed practice of engineering in violation of N.J.S.A. 45:8-27 and N.J.S.A. 45:8-39.

### DISCUSSION ON FINALIZATION

Based on the foregoing findings and conclusions, a Provisional Order of Discipline ("POD") was entered by this Board on December 8, 2003 and served by regular and certified mail upon Respondent. The POD was subject to finalization by the Board at 5:00 p.m. on the 30th business day following entry unless Respondent requested a modification or dismissal of the stated Findings of Fact or Conclusions of Law by submitting a written

request for modification or dismissal setting forth in writing any and all reasons why said findings and conclusions should be modified or dismissed and submitting any and all documents or other written evidence supporting Respondent's request for consideration and reasons therefor.

Respondent responded by letter dated January 21, 2004, but the Board was unpersuaded. Therefore, the Board has determined that further proceedings are unnecessary and that there is a sufficient basis to take disciplinary action against Respondent's license based on his admissions that he practiced engineering in the State of New Jersey without a license.

ACCORDINGLY, IT IS on this 24<sup>th</sup> day of February, 2004,  
ORDERED that:

1. Respondent shall be, and hereby is, reprimanded.
2. Respondent shall pay a civil penalty in the amount of \$500.00 within thirty (30) days of the entry of a Final Order of Discipline. If Respondent fails to pay the civil penalty within the stated time period, then a Certificate of Debt shall be issued.
