IN THE MATTER OF:)	ORDER OF REINSTATEMENT
)	AND
DAVID M. GEORGE, D.O.)	RETIREMENT OF LICENSE
<u>LICENSE #MB 35135</u>)	

This matter was opened to the New Jersey State Board of Medical Examiners by way of receipt of a request for reinstatement of licensure and then a request to retire that reinstated license. In a Final Order of Discipline (FOD) filed on August' 13, 2001, Respondent's New Jersey medical license was suspended for a five year period, to be stayed and served as a period of probation, retroactive to October 1998. The suspension was based on a sister state action by the Pennsylvania State Board of Osteopathic medicine which entered a Consent Agreement and Order on October 28, 1998 requiring Respondent to be monitored, supervised and investigated for his bi-polar mental condition and alcoholism by the Professional Health Monitoring Program. The FOD required Respondent to serve a five year period of probation that was to be concurrent and consistent with the action by the Pennsylvania State Board of Osteopathic Medicine.

Respondent appeared and testified before a committee of the Board on March 24, 2004. Respondent having demonstrated that he has fully complied with the Board's prior order, and advising

the Board that he 'wishes to permanently retire his New Jersey medical license once it is reinstated, and for other good cause shown,

IT IS on this 15th day of May, 2004,

ORDERED THAT:

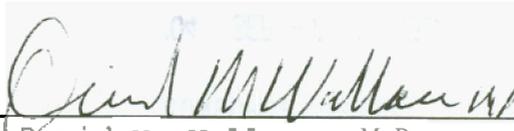

1. David M. George, M.D. is hereby granted an unrestricted license to practice medicine and surgery in the State of New Jersey.

2. The Board accepts the permanent retirement of the license by respondent David M. George, D.O., effective on the entry date of this Order. Respondent shall not engage in any practice of medicine in New Jersey after the entry date of this Order.

3. Respondent shall submit his wall certificate to William Roeder, Executive Director, Board of Medical Examiners, P.O. Box 183, Trenton, New Jersey 08625-0183.
