**FINAL ORDER  
OF DISCIPLINE**

**TO PRACTICE MEDICINE AND SURGERY :  
IN THE STATE OF NEW JERSEY**

This matter has been opened before the New Jersey State Board of Medical Examiners upon receipt of information which the Board has reviewed and on which the following findings of fact and conclusions of law are made;

FINDINGS OF FACT

1. Respondent Paramjit Singh, M.D., is the holder of License No. MA58616, and was licensed to practice medicine and surgery in the State of New Jersey from 1992 until 1995 after which time Respondent permitted that license to lapse.

2. On or about January 14, 2003, Respondent was adjudged guilty of Aggravated Possession of Drugs, a one count felony of the

fifth degree, in the Court of Common Pleas, Columbiana County, Ohio.

3. On or about February 19, 2003, the Ohio Medical Board ("Ohio Board") issued an immediate suspension of Respondent's license to practice medicine in the State of Ohio based on the criminal conviction referenced above. On or about July 9, 2003, the Ohio Board entered an Order permanently revoking Respondent's license to practice medicine in the State of Ohio. Said revocation was stayed and Respondent's license was suspended for an indefinite period of not less than one (1) year.

4. On or about July 1, 2003, the West Virginia Board of Medicine ("West Virginia Board") suspended Respondent's license to practice medicine for failure to provide the required continuing medical education certification. On or about July 18, 2003, the West Virginia Board revoked Respondent's license to practice medicine based on Respondent's Ohio criminal conviction for Aggravated Possession of Drugs.

#### CONCLUSION OF LAW

1. The above criminal action provides grounds to take disciplinary action against Respondent's license to practice medicine and surgery in New Jersey pursuant to N.J.S.A. 45:1-21(f) in that Respondent has been convicted of a crime.

2. The above action by the sister states of Ohio and West Virginia provide grounds to take disciplinary action against Respondent's license to practice medicine and surgery in New Jersey

pursuant to N.J.S.A. 45:1-21(g), in that Respondent has had his authority to practice medicine and surgery in Ohio and West Virginia suspended and revoked.

3. Respondent's failure to submit his biennial renewal and the resulting lapsed license status provide grounds to automatically suspend Respondent's license to practice medicine and surgery in the State of New Jersey pursuant to N.J.S.A. 45:1-7.1(b).

Based on the foregoing findings and conclusions, a Provisional Order of Discipline suspending Respondent's license to practice medicine and surgery in the State of New Jersey was entered on March 5, 2004, and a copy was forwarded to Respondent's last known address by means of both regular and certified mail. The Provisional Order was subject to finalization by the Board at 5:00 p.m. on the 30<sup>th</sup> business day following entry unless Respondent requested a modification or dismissal of the stated Findings of Fact or Conclusions of Law by submitting a written request for reasons why said findings and conclusions should be modified or dismissed and submitting any and all documents or other written evidence supporting Respondent's request for consideration and reasons therefor.

Although the record reflects that the Provisional Order was served upon Respondent, no response has been received to date. Accordingly the Board considered the matter, determined that

further proceedings were not necessary and the Provisional Order should be made final.

ACCORDINGLY, IT IS on this 20th day of Sept 2004,

ORDERED THAT:

1. Respondent's license to practice medicine and surgery in the state of New Jersey shall be and hereby is suspended until such time as his license to practice medicine is fully reinstated without restrictions in Ohio and West Virginia.
