

distribution of prescription drugs. (A copy of the Order and attachments annexed hereto and made a part hereof.)

3. The following disciplinary action was taken: respondent's Virginia pharmacy license was suspended indefinitely, but no less than one year.

CONCLUSIONS OF LAW

1. The above action provides grounds for the suspension or revocation of his license to practice pharmacy in New Jersey pursuant to N.J.S.A. 45:1-21(g) in that he had his authority to engage in the activity regulated by the Board suspended by another state based on findings or admissions that would give rise to discipline in this State.

2. Based on the foregoing findings and conclusions, a Provisional Order of Discipline suspending respondent's license to practice pharmacy in the State of New Jersey was entered March 10, 2005 and a copy was forwarded to respondent's last known address by means of regular and certified mail. The Provisional Order was subject to finalization by the Board at 5:00 p.m. on the 30th business day following entry unless respondent requested a modification or dismissal of the stated Findings of Fact or Conclusions of Law by submitting a written request for modification or dismissal setting forth in writing any and all reasons why said findings and conclusions should be modified or dismissed and submitting any and all documents or other written evidence

supporting respondent's request for consideration and reasons therefor.

Although the record reflects that the Provisional Order was served upon respondent, no response has been received to date. Accordingly the Board considered the matter, determined that further proceedings are not necessary and the Provisional Order should be made final.

IT IS THEREFORE on this 27th day of April, 2005,

ORDERED that:

1. Respondent's license to practice pharmacy in the State of New Jersey be and hereby is suspended for a period of six (6) months. All of said suspension is stayed, to be served as probation.
