Administrative Action
INTERIM CONSENT ORDER

This matter was opened to the New Jersey State Board of Chiropractic Examiners (hereinafter the "Board"), upon receipt of information that an Indictment had been entered in the Superior Court of New Jersey, Passaic County, Law Division on or about April 5, 2005, charging Bryan Bajakian, D.C. (hereinafter the "Respondent"), in five counts with: the attempt, via electronic or any other means, to lure or entice a child or one who he reasonably believed to be a child, into a motor vehicle, structure or isolated area, or to meet or appear at any other place, with a purpose to commit a criminal offense with or against the child, contrary to the provisions of N.J.S. 2C:13-6; the attempt to commit an act of sexual penetration upon a child or one who he reasonably believed

to be a child, for the purpose of sexually degrading or humiliating said child or sexually arousing or gratifying himself, the child being at least 13 years of age but less than 16 years of age and Respondent being at least four years older than the child, contrary to N.J.S. 2C:5-1 and N.J.S. 2C:14-2c(4); the attempt to commit an act of criminal sexual contact upon a child or one who he reasonably believed to be a child, for the purpose of degrading or humiliating the child or sexually arousing or sexually gratifying himself, the child being at least 13 years of age but less than 16 years and Respondent being at least four years older than the child, contrary to the provisions of N.J.S. 2C:14-3b under circumstances set forth in N.J.S. 2C:5-1/14-2c(4); the attempt to engage in sexual contact with a child or one who he reasonably believed to be a child under the age of 16, which would impair or debauch the morals of the child, contrary to the provisions of N.J.S. 2C:5-1 and N.J.S. 2C:24-4a; and the knowing possession or viewing of any photograph, film, video tape, computer program or file, video game or any other reproduction or reconstruction which depicts a child engaging in a prohibited sexual act or in the simulation of such an act, contrary to the provisions of N.J.S. 2C:24-4b5(b).

The Board has preliminarily determined that the Respondent should refrain from rendering chiropractic services to any patient under the age of eighteen, except in the immediate presence of a monitor who has been pre-approved for that purpose by the Board, and who shall report periodically to the Board, pending the disposition of the criminal charges against him.

The Board finding that this resolution is adequately protective of the public health, safety and welfare, and it appearing that good cause exists for the entry of the within Order,

IT IS, therefore, on this 15th day of September, 2005;
ORDERED AND AGREED that:

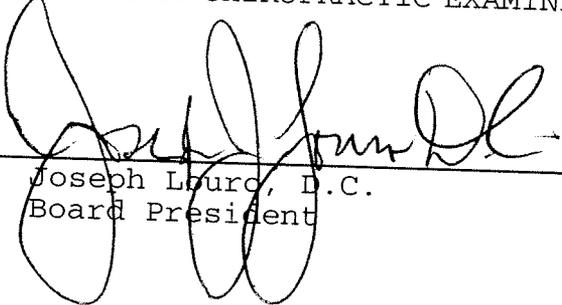

1. Respondent shall engage the use of a monitor(s), whose name(s) shall be provided to, and pre-approved by, the Board, and who shall have been made aware of this order and the charges recited herein; to be present in the treatment room for all periods of time during which any treatment is being rendered to any patient under the age of eighteen by Respondent, pending the disposition of the criminal charges against him;

2. The approved monitor(s) shall report to the Board immediately if practicable, and in all cases within 24 hours, any occurrence or behavior observed which the monitor(s) in good faith believes to have been inappropriate or potentially violative of this order. The monitor(s) shall provide to the Board a status report of their hours and observations every thirty (30) days;

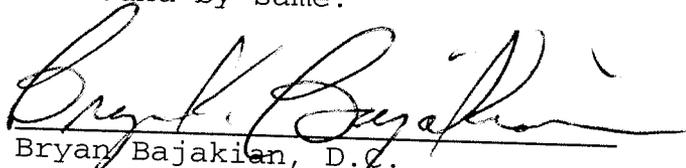

3. Nothing contained herein shall be deemed an admission of liability on the part of the Respondent. Nothing contained herein shall restrict or limit the Attorney General from further investigation and prosecution of this matter.

4. It is understood that by entry of this Order, the parties herein do not waive any right to apply for any additional relief provided for by law.
