IN THE MATTER OF THE SUSPENSION OR REVOCATION OF THE LICENSE OF RANDY KENNY L.M.P. License No. 11100 TO PRACTICE AS A PLUMBER IN THE STATE OF NEW JERSEY	Administrative Action CONSENT ORDER

This matter was opened to the New Jersey State Board of Master Plumbers ("the Board") upon receipt of information alleging that Randy Kenny ("respondent") performed work and charged in excess of the amount quoted in his original signed estimate provided to consumer S.R. Respondent never entered into a written contract with S.R. for the work to be performed. As a result, respondent performed work in addition to the work quoted in the signed estimate and charged S.R. in excess of the original estimate. On June 23, 2005 respondent and S.R. appeared at an investigative inquiry into the matter held by the Board.

The facts of this matter are as follows. S.R. was instructed by the Township of Willingboro to correct certain health and sanitation violations pertaining to the repair of her sewer line. The township provided S.R. with the names of three plumbing contractors routinely utilized by the township. All three contractors provided estimates to S.R. Respondent was one of the contractors. Respondent quoted S.R. an estimate of $880.00 to perform the work. S.R. was unable to afford the price quoted by any of the contractors. As a result, S.R. authorized the Township of

Willingboro to pay to correct the cited violations and S.R. would reimburse the township at a later date. S.R. chose respondent to make the repairs because respondent provided the cheapest estimate.

Respondent began work on S.R.'s sewer line on August 23, 2003. During the course of making the repairs, it was determined by respondent that more extensive work would be required beyond the work identified in respondent's original estimate. Respondent attempted to reach S.R. by telephone to advise her of the need for additional work and consequently, additional cost. Respondent was unable to contact S.R. As a result, the Township of Willingboro authorized respondent to perform the additional work. Respondent completed the work and charged the township the sum of $3,730.00. The township in return added an administrative fee and billed S.R. the total sum of $4,103.00. The township has established a lien against S.R.'s house in order to ensure payment.

According to respondent's testimony at the investigative inquiry, he never entered into a written contract with S.R. The only document signed by respondent and S.R. was the estimate for $880.00. Respondent also testified that he never entered into a written contract with the Township of Willingboro for the repair of S.R.'s sewer line. Additionally, respondent admitted that he never received written or verbal consent from S.R. for the additional work that was undertaken and the additional cost that was charged.

These facts establish a basis for disciplinary action pursuant to N.J.S.A. 45:1-21 (e) in that respondent's conduct, in failing to obtain a written contract from S.R. or from the Township of Willingboro, as well as failing to obtain S.R.'s permission to perform the additional work at an additional cost, constitutes professional misconduct. It appearing that respondent desires to resolve this matter without recourse to formal proceedings, and for good cause shown:

IT IS ON THIS 23rd DAY OF Feb , 2006

HEREBY ORDERED AND AGREED THAT:

1. Respondent shall pay a civil penalty in the amount of $1,500 for having engaged in professional misconduct in violation of N.J.S.A. 45:1-21(e) by failing to obtain a signed contract from S.R., or from the Township of Willingboro, as well as failing to obtain S.R.'s

permission to perform additional work at an additional cost.

2. Respondent shall pay restitution to S.R. in the amount of $1,000. Payment shall be by certified check or money order made payable to S.R. and delivered to the Office of the Board of Master Plumbers simultaneously with the signing of this order.

3. Respondent shall cease and desist from the violations described herein. Subsequent violations will subject respondent to enhanced penalties pursuant to N.J.S.A. 45:1-25.

4. Respondent shall simultaneously with the signing of this order pay the penalty provided in paragraph 1 above by certified check or money order payable to the State of New Jersey and delivered to the Board of Examiners of Master Plumbers, 124 Halsey Street, Sixth Floor, Newark, NJ 07101.

5. Failure to comply with any of the terms of this Order may constitute the basis for further disciplinary action by the Board, including but not limited to, suspension or revocation of respondent's master plumbing license and imposition of monetary penalties. Failure to remit any and all payments required by this Order will result in the filing of a certificate of debt and may result in subsequent disciplinary proceedings for failure to comply with an Order of the Board.
