Re: Offer of Settlement In Lieu of Filing a Formal Disciplinary Complaint

Dear Dr. Waldorf:

This letter is to advise you that the New Jersey State Board of Chiropractic Examiners (the "Board") has had an opportunity to review information concerning your offering of "detoxification" treatments in your practice.

It appears from that review that you offered and sold to patients in your practice a package of ten detoxification treatments at a cost of \$300 per package, and that these treatments entailed the patients putting their feet into a machine containing saltwater for the purported purpose of extracting toxins and rancid fats from their bodies.

At this juncture, the Board has preliminarily concluded that probable cause exists to support a finding that you violated N.J.S.A. 45:1-21 (e) and (h), and N.J.A.C. 13:44E-1.1 by engaging in the aforesaid conduct.

The above violations are sufficient to warrant the initiation of formal disciplinary proceedings against you. Notwithstanding that decision, however, the Board has determined that it will first offer you an opportunity to settle this matter, and thereby avoid the initiation of formal disciplinary proceedings, should you consent to:

1. cease and desist from offering the detoxification services;
2. fully refund all amounts received by you for the detoxification services to any and all patients from whom payment was received for those services, and credit the accounts of any patients billed for those services who have not yet paid for them.

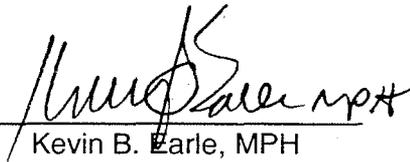

If you are willing to settle this matter on the offered settlement terms, you may do so by signing the acknowledgment at the bottom of this letter, and returning it to the Board office. Upon your signature, this letter will be a matter of public record.

In the event you are unwilling to settle this matter on the offered terms, it will be referred to the Attorney General's office for the initiation of appropriate enforcement action. In such event, you will be afforded an opportunity to defend against the alleged violations. If an evidentiary hearing is deemed warranted, the Board will either conduct that hearing at a date and time to be scheduled or refer the matter to the Office of Administrative Law. You are advised, however, that in the event formal charges are filed, the Board may assess civil

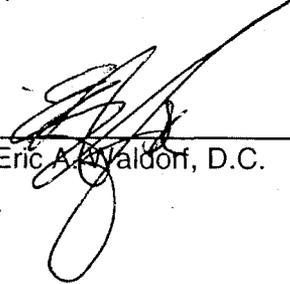

penalties in an amount greater than those herein offered in settlement should any charges against you be sustained. Additionally, the Board may, if the facts are found to so warrant, enter an order requiring you to reimburse certain monies and/or requiring you to pay the additional costs incurred by the Board. Should you have any questions concerning this letter or the settlement offer herein, I suggest that you ask your attorney to contact Deputy Attorney General John D. Hugelmeyer, who may be reached at (973) 693-5056.

If you elect to settle this matter now you should sign the acknowledgment at the bottom of this letter and return it to the Board within fifteen (15) days following your receipt of this letter. In the event that the Board receives no response from you within fifteen (15) days, the Board's settlement offer will be withdrawn, and the matter will be referred to the Attorney General's Office for the initiation of appropriate enforcement proceedings.
