License No. MC 1283

TO PRACTICE CHIROPRACTIC
IN THE STATE OF NEW JERSEY

: CONSENT ORDER

This matter was opened to the New Jersey State Board of Chiropractic Examiners upon receipt of information which the Board has reviewed, and the parties hereby stipulate to the following findings of fact and conclusions of law.

FINDINGS OF FACT

1. Respondent, Brian Klappholtz, D.C., is a chiropractic physician in the State of New Jersey and has been a licensee at all times relevant hereto.
2. On November 22, 2004, Respondent was arrested and charged with theft of currency from the purse of a patient, V.T., which occurred during treatment in his office, in violation of N.J.S.A. 2C:20-3.

3. On April 6, 2005, Respondent pleaded guilty to two counts of theft in Dover Township Municipal court, and was sentenced to pay a fine of \$200.00 plus costs and fees on each count.

4. On October 27, 2005, Respondent testified under oath before a committee of the Board that he did not yet understand the reasons for his actions, but was receiving counseling in an effort to discern them.

5. On or about May 19, 2006, a Provisional Order of Discipline was issued by the Board based upon the aforesaid findings of fact and the within conclusions of law. The order proposed to suspend Respondent's license to practice chiropractic for a period of one year, the first six months of which would be active, and to require his successful completion of an ethics course and his payment of the costs of the Board's investigation. A response to the provisional order was filed on behalf of Respondent on or about June 26, 2006, and a reply thereto by counsel to the Board was filed on or about July 10, 2006.

CONCLUSIONS OF LAW

1. The aforesaid conduct provides grounds for the suspension of Respondent's license to practice chiropractic in New Jersey pursuant to N.J.S.A 45:1-21(e) and (f), in that Respondent has engaged in professional misconduct as determined by the Board, and has been convicted of an offense involving moral turpitude and which relates adversely to the practice of chiropractic.

The parties wishing to resolve this matter without further formal proceedings; Respondent waiving any right to a hearing in this matter, and for good cause shown:

IT IS on this 25th day of August, 2006

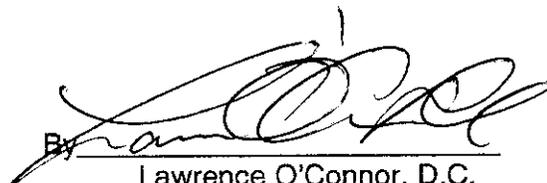

ORDERED AND AGREED that:

1. Respondent's license to practice chiropractic in this State shall be and hereby is voluntarily surrendered, effective sixty (60) days from the date of issuance of this Order.

2. Respondent agrees that he shall not apply for reinstatement of his license to practice chiropractic in this State; and Respondent further agrees that he shall not apply for a license to practice chiropractic in any other jurisdiction, or reapply in any other jurisdiction wherein he holds a chiropractic license. Any practice in this State after the effective date of this Order shall constitute grounds for the charge of unlicensed practice.

3. Nothing in this consent order shall prevent the Board from taking any action in the future, including re-institution of an action based upon the aforesaid findings of fact and conclusions of law, in the event Respondent violates any of the terms of this Order.
