ORDER REMOVING
RESTRICTIONS ON LICENSE

This matter was opened to the New Jersey State Board of Dentistry (the "Board") upon the application of Robert Karasek, D.M.D. ("respondent"), seeking to remove restrictions imposed by the Board's Consent Order of September 25, 2002.

In support of his application to remove restrictions, respondent provided a letter from Louis E. Baxter, Sr., M.D., FASAM, Executive Medical Director, Professional Assistance Program (PAP) which attested to respondent's continued recovery, full adherence to the treatment plan and completion of five years of conditions imposed on September 25, 2002. Based on the letter and on respondent's compliance with the terms of the Board's prior orders, the Board has determined that the prior restrictions on respondent's license are no longer necessary and the within order is adequately protective of the public health, safety and welfare.

IT IS ON THIS 5th DAY OF September, 2007.

ORDERED that respondent is hereby granted an unrestricted license to practice dentistry in the State of New Jersey.
