GLENN GREICO, D.C. :  
License No. 38MC00555800 :

CONSENT ORDER

TO PRACTICE CHIROPRACTIC :  
IN THE STATE OF NEW JERSEY :

\_\_\_\_\_  
This matter was opened to the New Jersey State Board of Chiropractic Examiners (hereinafter "the Board") upon receipt of information which the Board has reviewed, and the parties wishing to resolve this matter without further formal proceedings, hereby stipulate to the following facts and conclusion of law.

FINDINGS OF FACT

1. Respondent, Glenn Greico, D.C., is a chiropractic physician in the State of New Jersey and has been a licensee at all times relevant hereto.
2. On October 18, 2007, Respondent testified under oath before the Preliminary Investigation Committee of the Board, while accompanied by counsel, Jeffrey B. Randolph, Esq. On that occasion, Respondent admitted that he had signed and submitted billing forms to an

insurance company for dates of service to patient C.B. on which no services had been rendered. In addition, Respondent acknowledged that the billing forms which he submitted indicated that self-care, home instruction (CPT Code #97535) was provided to the patient on repeated visits, although such services had been rendered to the patient on no more than one occasion.

3. Respondent acknowledged under oath that he had personally employed a computerized patient note program to generate S.O.A.P. notes for patient C.B. for at least nine dates of service when the patient had not in fact been seen; and that he submitted these notes in support of his previously submitted bills for those dates of service to patient C.B., thereby representing to the insurance company that the subsequently generated notes were the contemporaneously prepared patient record of C.B.

#### CONCLUSIONS OF LAW

1. The aforesaid admissions provide grounds for the suspension of Respondent's license to practice chiropractic in New Jersey pursuant to N.J.S.A 45:1-21(b), in that Respondent has engaged in the use or employment of dishonesty, fraud, deception, misrepresentation, false promise of false pretense.

ACCORDINGLY, IT IS on this 6<sup>th</sup> day of February, 2008

ORDERED AND AGREED that:

1. Respondent's license to practice chiropractic in the State of New Jersey be and hereby is suspended for a period of twelve (12) months; except that said suspension shall be stayed, and become a period of probation. Such stayed period of suspension shall be activated

upon a showing of Respondent's non-compliance with any of the terms and conditions set forth herein.

2. Respondent shall cease and desist from billing for, or creating S.O.A.P. notes for, dates of service and/or services to patients which were not in fact rendered.

3. During the period of stayed suspension, Respondent shall successfully complete and unconditionally pass the ProBE (Professional Problem Based Ethics) course offered by The Ethics Group, 89 Summit Avenue, Suite 185, Summit, New Jersey 07901, or the PRIME (Professional Renewal in Medicine through Ethics) course offered by the Center for Continuing Education in the Health Professions at UMDNJ-Robert Wood Johnson Medical School, 97 Paterson Street, Room 124, New Brunswick, New Jersey 08903. 7. The Directives of the Board applicable to any Chiropractic Board licensee who is suspended, revoked or whose surrender of licensure has been accepted are incorporated by reference as though fully set forth herein, whether or not they are attached hereto.
