This matter was opened to the New Jersey State Board of Master Plumbers (the "Board") upon receipt of information which the Board has reviewed and on which the following preliminary findings of fact and conclusions of law are made:

FINDINGS OF FACT

1. Peter Dill ("Respondent"), is a plumber in the State of New Jersey and has been a licensee at all times relevant hereto.

2. Respondent plead guilty to a charge of Theft by Deception (N.J.S.A. 2C:20-4) on March 26, 2003 and was sentenced to probation for three years.

3. Respondent failed to renew his license before June 30, 2003 and his license expired. On September 23, 2004, Respondent appeared before the Board requesting reinstatement of his license.

During his appearance, Respondent provided testimony regarding his conviction, compliance with criminal probation and his participation in NA/AA and urine screening.

On or about August 2, 2006, the Deputy Attorney General for the Board forwarded a letter to Respondent's address of record at 19 Brook Road, New Providence, New Jersey, via regular mail and certified mail, return receipt request # 7004 1160 0002 0538 3413. The letter requested that Respondent provide documentation concerning his continued compliance and/or completion of probation, documentation concerning his involvement with NA/AA, and documentation of compliance with urine screen monitoring. The regular mail was not returned and the return receipt for the certified mail was signed for by MT Lieder with a delivery date of August 15, 2006.

5. On or about September 14, 2007, the Deputy Attorney General for the Board forwarded a letter to Respondent's address of record at 19 Brook Road, New Providence, New Jersey, via regular mail and certified mail, return receipt request # 7005 0390 0004 5807 5715. The letter requested that Respondent provide documentation concerning his continued compliance and/or completion of probation, documentation concerning his involvement with NA/AA, and documentation of compliance with urine screen monitoring. The regular mail was not returned and the return receipt for the certified mail was returned marked "UNC" (unclaimed).

6. To date, Respondent has failed to respond to the Board's

request that he provide documentation concerning his continued compliance and/or completion of probation, documentation concerning his involvement with NA/AA, and documentation of compliance with urine screen monitoring.

CONCLUSIONS OF LAW

Respondent's failure to provide documentation concerning his continued compliance and/or completion of probation, documentation concerning his involvement with NA/AA, and documentation of compliance with urine screen monitoring, constitutes a violation of N.J.S.A. 45:1-21(h) in that Respondent failed to cooperate with the Board's investigation in contravention of N.J.A.C. 13:45C-1.3.(a)(1).

ACCORDINGLY, IT IS, on this 22 day of MAY, 2008,
ORDERED that:

1. Respondent's license #36BI00881500 to practice as a plumber be and hereby is provisionally suspended until such time as Respondent cooperates with the Board's investigation by providing to the Board the requested documentation concerning his continued compliance and/or completion of probation, his involvement with NA/AA and compliance with urine screen monitoring.

2. Respondent shall refrain from engaging in practice as a plumber and shall not represent himself as a plumber until such time as his license is reinstated.

3. The within order shall be subject to finalization by the Board at 5:00 p.m. on the 30th business day following entry hereof

unless Respondent requests a modification or dismissal of the above stated Findings of Fact or Conclusions of Law by:

- a) Submitting a written request for modification or dismissal to Barbara Cook, Executive Director, State Board of Examiners of Master Plumbers, P.O. Box 45008, Newark, N.J. 07101.
- b) Setting forth in writing any and all reasons why said findings and conclusions should be modified or dismissed.
- c) Submitting any and all documents or other written evidence supporting Respondent's request for consideration and reasons therefor or offered in mitigation of penalty.

5. Any submissions will be reviewed by the Board and the Board will thereafter determine whether further proceedings are necessary. If no material discrepancies are raised through a supplemental submission during the thirty-day period, or if the Board is not persuaded that the submitted materials merit further consideration, a Final Order of Discipline will be entered.

6. In the event that Respondent's submissions establish a need for further proceedings, including, but not limited to, an evidentiary hearing, Respondent shall be notified with regard thereto. In the event that an evidentiary hearing is ordered, the preliminary findings of fact and conclusions of law contained herein may serve as notice of the factual and legal allegations in such proceeding. Further, in the event a hearing is held and upon
