This matter was opened to the New Jersey State Board of Dentistry ("Board") upon the application of Robert Malfara, D.M.D. ("Dr. Malfara" or "respondent"), seeking to modify the Consent Order of Reinstatement entered on December 5, 2007, to permit him to increase the number of hours he may practice each work. The Consent Order of Reinstatement limited respondent to practicing ten (10) hours a week and directed that he not apply for a modification of that provision for at least three months.

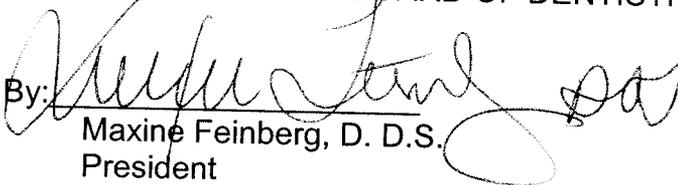

The Board has now reviewed information from Dr. Malfara, his employer, and Louis E. Baxter, Sr., M.D., FASAM, Executive Medical Director, Professional Assistance

Program, and has determined that respondent continues to progress in his recovery and that an order permitting an increase in the number of hours that he may practice is appropriate at this time. The Board, therefore, will modify the prior order and permit Dr. Malfara to practice not more than 32 hours a week. All other requirements of the December 5, 2007, order shall remain in effect.

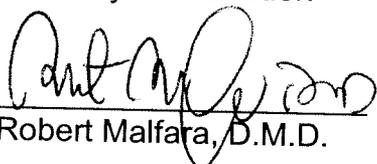

THEREFORE, IT IS ON THIS 10th DAY OF July, 2008

ORDERED that respondent shall only practice in a group setting with other licensed New Jersey dentists and shall not practice for more than 32 hours a week.
