Re: Terms of Suspension

Dear Dr. Calder,

The New Jersey State Board of Dentistry (the "Board") has received a request to amend the terms of the suspension you are required to serve pursuant to the Final Order of Discipline filed on November 21, 2008. The Board has reviewed your request and directed me to respond on its behalf.

Please be advised that the Board has determined to grant your request to serve the two (2) week suspension in non-consecutive weeks. The Board has also granted your request to serve the first week of suspension from March 2, 2009 to March 8, 2009, and the second week of suspension from April 9, 2009 to April 15, 2009. You should also be aware that during the periods of active suspension you are not permitted to be engaged in any activity in, on, or associated with your dental practice. This would include, but not be limited to, performing administrative office functions, or being on the premise of your dental practice.

If you have any questions or concerns, please do not hesitate to contact the Board office at the address noted above.

Sincerely,  
**BOARD OF DENTISTRY**
