Administrative Action

ORDER REMOVING  
RESTRICTIONS ON LICENSE

This matter was opened to the State Board of Dentistry upon the application of John D. Rosa, D.D.S. (respondent), seeking modification of the Consent Order of Reinstatement of licensure entered into on May 16, 2007.

In support of his application to remove restrictions, respondent provided a letter dated July 16, 2008, from David I. Canavan, M.D., Assistant Medical Director, Professional Assistance Program of New Jersey (PAPNJ), which attested to respondent's continued recovery, full adherence to the treatment plan, and completion of four (4) years of ongoing, documented, stable recovery.

Respondent has agreed to follow the monitoring plan recommended by the PAP. Based on the report of the PAP, and on respondent's compliance with the terms of the Board's prior orders, the Board has determined that removal of restrictions on respondent's license is consistent with the public health, safety and welfare.

IT IS, THEREFORE, ON THIS 11<sup>th</sup> DAY OF June, 2009,

ORDERED that the restrictions previously placed on the license of John D. Rosa, D.D.S. are removed. Respondent's CDS registration shall be reinstated upon the payment of the appropriate fee to the Drug Control Unit of the Division of Consumer Affairs.
