OF MEDICAL EXAMINERS**

STATE OF NEW JERSEY  
DEPARTMENT OF LAW & PUBLIC SAFETY  
DIVISION OF CONSUMER AFFAIRS  
STATE BOARD OF MEDICAL EXAMINERS

IN THE MATTER OF THE LICENSE OF

ANDREW J. HANLY, M.D.  
License No. MA80788

TO PRACTICE MEDICINE AND SURGERY  
IN THE STATE OF NEW JERSEY

Administrative Action

CONSENT ORDER

**THIS MATTER** was opened to the New Jersey State Board of Medical Examiners ("Board") upon receipt of information that on or about January 25, 2008, the Alaska State Medical Board voted to deny the application for licensure of Respondent, Andrew J. Hanly, M.D., based on his failure to disclose in his application that he was licensed in 11 states.

CERTIFIED TRUE COPY

Thereafter, on or about January 21, 2009, the New York State Board for Professional Medical Conduct entered a "Consent Order" which adopted a "Consent Agreement and Order" executed by the Respondent which provided for a censure and reprimand together with a \$5,000.00 fine. More specifically, the Respondent agreed not to contest two (2) specifications of professional misconduct in connection with the denial of his application for licensure by the Alaska State Medical Board.

Finally, on or about February 3, 2009, the North Carolina Medical Board entered into a "Consent Order" with the Respondent which provided for a reprimand based upon the Respondent's conduct in connection with the denial of his application for licensure by the Alaska State Medical Board.

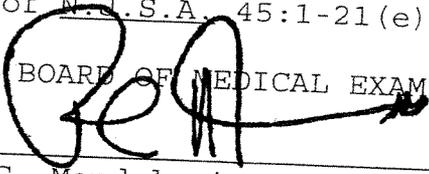

As a result of the foregoing, the Board has determined that Respondent's acts giving rise to actions taken by the Alaska State Medical Board, New York State Board for Professional Medical Conduct and North Carolina Medical Board constitute professional misconduct and provide a basis for disciplinary action pursuant to N.J.S.A. 45:1-21(e).

**IT NOW APPEARING** that the parties wish to resolve this matter without recourse to formal proceedings; and that the Respondent hereby waives any right to a hearing in this matter; and the Board finding the within Order adequately protects the public's health, safety and welfare; and for good cause shown;

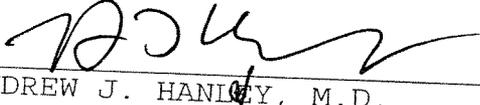

IT IS ON THIS 16th day of June, 2009, ORDERED AND  
AGREED THAT Respondent shall be, and hereby is, reprimanded in  
connection with his violation of N.J.S.A. 45:1-21(e).

REGARDING DISCIPLINARY ACTIONS**

Pursuant to N.J.S.A. 52:14B-3(3), all orders of the New Jersey State Board of Medical Examiners are available for public inspection. Should any inquiry be made concerning the status of a licensee, the inquirer will be informed of the existence of the order and a copy will be provided if requested. All evidentiary hearings, proceedings on motions or other applications which are conducted as public hearings and the record, including the transcript and documents marked in evidence, are available for public inspection, upon request.

Pursuant to 45 CFR Subtitle A 60.8, the Board is obligated to report to the National Practitioners Data Bank any action relating to a physician which is based on reasons relating to professional competence or professional conduct:

- (1) Which revokes or suspends (or otherwise restricts) a license,
- (2) Which censures, reprimands or places on probation,
- (3) Under which a license is surrendered.

Pursuant to 45 CFR Section 61.7, the Board is obligated to report to the Healthcare Integrity and Protection (HIP) Data Bank, any formal or official actions, such as revocation or suspension of a license (and the length of any such suspension), reprimand, censure or probation or any other loss of license or the right to apply for, or renew, a license of the provider, supplier, or practitioner, whether by operation of law, voluntary surrender, non-renewability, or otherwise, or any other negative action or finding by such Federal or State agency that is publicly available information.

Pursuant to N.J.S.A. 45:9-19.13, if the Board refuses to issue, suspends, revokes or otherwise places conditions on a license or permit, it is obligated to notify each licensed health care facility and health maintenance organization with which a licensee is affiliated and every other board licensee in this state with whom he or she is directly associated in private medical practice.

In accordance with an agreement with the Federation of State Medical Boards of the United States, a list of all disciplinary orders are provided to that organization on a monthly basis.

Within the month following entry of an order, a summary of the order will appear on the public agenda for the next monthly Board meeting and is forwarded to those members of the public requesting a copy. In addition, the same summary will appear in the minutes of that Board meeting, which are also made available to those requesting a copy.

Within the month following entry of an order, a summary of the order will appear in a Monthly Disciplinary Action Listing which is made available to those members of the public requesting a copy.

On a periodic basis the Board disseminates to its licensees a newsletter which includes a brief description of all of the orders entered by the Board.

From time to time, the Press Office of the Division of Consumer Affairs may issue releases including the summaries of the content of public orders.

Nothing herein is intended in any way to limit the Board, the Division or the Attorney General from disclosing any public document.
