CONCLUSIONS OF LAW

1. The aforesaid conduct provides grounds for the suspension or revocation of Respondent's license to practice chiropractic in New Jersey pursuant to N.J.S.A 45:1-21(e) and (f), in that Respondent has engaged in professional misconduct as determined by the Board, and has been convicted of a crime involving moral turpitude and which relates adversely to the practice of chiropractic.

Respondent desiring to amicably settle this matter with the Board by agreeing to the suspension of his license to practice chiropractic to run concurrently with his suspension pursuant to N.J.S.A. 2C:51-5a; and by agreeing to an additional 6 month period of suspension that shall be stayed and serve as a period of probation; and by successfully completing and unconditionally passing a course in professional ethics approved by the Board during the remaining period of active suspension; and the Board determining that the within Order is adequately protective of the public health, safety and welfare; and for good cause shown;

IT IS ON THIS ^{4th} DAY OF ^{av} ~~MARCH~~, 2010;

ORDERED AND AGREED that:

Such stayed period of suspension shall be activated upon a showing of Respondent's non-compliance with any of the terms and

conditions set forth herein. The running of the period of active suspension shall be tolled by Respondent's practice of chiropractic in any other State or jurisdiction.

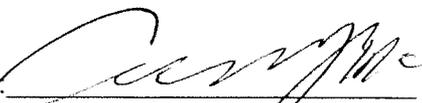

2. During the period of active suspension, Respondent shall at his own expense fully attend, successfully complete and unconditionally pass the ProBE (Professional Problem Based Ethics) course offered by The Ethics Group, 89 Summit Avenue, Suite 185, Summit, New Jersey 07901, or the PRIME (Professional Renewal in Medicine through Ethics) course offered by the Center for Continuing Education in the Health Professions at UMDNJ-Robert Wood Johnson Medical School, 97 Paterson Street, Room 124, New Brunswick, New Jersey 08903, and provide documentation of same to the Board.

3. Respondent shall completely and successfully fulfill all of the requirements of his probation and criminal sentence.

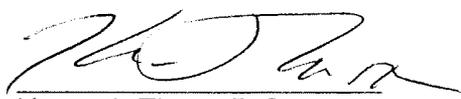

4. Prior to resuming any practice in New Jersey, Respondent shall be required to appear before the Board (or a committee thereof) to demonstrate his fitness to do so; and any practice in this State prior to said appearance shall constitute grounds for a charge of unlicensed practice.

5. The Directives of the Board applicable to any Chiropractic Board licensee who is suspended, revoked or whose surrender of licensure has been accepted are incorporated by reference as though fully set forth herein, whether or not they are attached hereto.
