Jerome Hodlofski, D.D.S. : ORDER GRANTING  
License No.22 DI 01419600 : UNRESTRICTED LICENSE  
:   
TO PRACTICE DENTISTRY :   
IN THE STATE OF NEW JERSEY :

This matter was first opened to the State Board of Dentistry (Board) upon the application of Jerome Hodlofski, D.D.S. for an unrestricted license following a Consent Order filed April 4, 1996 which reinstated Dr. Hodlofski's license to practice dentistry subject to conditions.

Pursuant to that Order, Dr. Hodlofski agreed to limit his dentistry practice to teaching and consulting based on a medical condition and agreed to meet all continuing education credits for biennial renewal.

In support of his application to remove restrictions, respondent noted that he had self reported a medical condition that impacted his ability to practice clinical dentistry and that he has not had any other complaints or disciplinary actions during the period he has held his dental license. Respondent has complied with the terms of the April 4, 1996 order restricting

his practice and agrees that in the future that he will practice dentistry consistent with limitations as warranted by his medical condition on medical advice and on notice to the Board.

Based upon those representations, the Board has determined that removal of restrictions on respondent's license is consistent with the public health, safety and welfare,

IT IS ON THIS 18<sup>th</sup> DAY OF May, 2010

ORDERED:

1. Jerome Hodlofski, D.D.S. is hereby granted an unrestricted license to practice dentistry in the State of New Jersey.
