Re: Offer of Settlement In Lieu of Filing a
Formal Disciplinary Complaint

Dear Dr. Williams:

This letter is to advise you that the New Jersey State Board of Chiropractic Examiners (the "Board") has had an opportunity to review information concerning your criminal history background check conducted by the Division of Consumer Affairs.

It appears from that review that although you disclosed on your original application for a license to practice chiropractic in New Jersey an arrest with convictions that occurred in California in 1995, you failed to disclose arrests that occurred in New Jersey in December 2003 and June 2006 when you answered "No" to question #6 on your applications for renewal of license in 2005 and 2007, respectively. The Board has reviewed your explanation and is aware that the charges against you were eventually dismissed. Nevertheless, the 2003 and 2006 arrests were not disclosed on your renewal applications, which made those applications false.

At this juncture, the Board has preliminarily concluded that probable cause exists to support a finding that you violated N.J.S.A. 45:1-21(a) by obtaining renewals of your license through fraud, deception, or misrepresentation by responding "No" to the question: "Since your last renewal have you been arrested, charged or convicted of any crime or offense that you have not already reported to your board/committee?"

The above violations are sufficient to warrant the initiation of formal disciplinary proceedings against you. Notwithstanding that decision, however, the Board has determined that it will first offer you an opportunity to settle this matter, and thereby avoid the initiation of formal disciplinary proceedings, should you consent to:

1. the issuance of a formal reprimand; and
2. pay a penalty in the total amount of \$1,000.00, for violations of N.J.S.A. 45:1-21(a) (to be paid in installments by certified check or money order made payable to the State of New Jersey as follows: an initial payment of \$200.00 upon your signing of the acknowledgment at the bottom of this

letter and returning it to the Board, and the remaining \$800.00 in installments in the amount of \$80.00 per month beginning on the first day of the following month for ten months);

If you are willing to settle this matter on the offered settlement terms, you may do so by signing the acknowledgment at the bottom of this letter, and returning it to the Board office together with any required payment at the address set forth above. Upon your signature, this letter will be a matter of public record.

In the event you are unwilling to settle this matter on the offered terms, it will be referred to the Attorney General's office for the initiation of appropriate enforcement action. In such event, you will be afforded an opportunity to defend against the alleged violations. If an evidentiary hearing is deemed warranted, the Board will either conduct that hearing at a date and time to be scheduled or refer the matter to the Office of Administrative Law. You are advised, however, that in the event formal charges are filed, the Board may assess civil penalties in an amount greater than those herein offered in settlement should any charges against you be sustained. Additionally, the Board may, if the facts are found to so warrant, enter an order requiring you to pay the additional costs incurred by the Board. Should you have any questions concerning this letter or the settlement offer herein, I suggest that you contact Deputy Attorney General John D. Hugelmeyer, who may be reached at (973) 648-3453.

If you elect to settle this matter now you should sign the acknowledgment at the bottom of this letter and return it to the Board within fifteen (15) days following your receipt of this letter. In the event that the Board receives no response from you within fifteen (15) days, the Board's settlement offer will be withdrawn, and the matter will be referred to the Attorney General's Office for the initiation of appropriate enforcement proceedings.
