Administrative Action

FINAL ORDER
OF DISCIPLINE

This matter was opened to the New Jersey State Board of Examiners of Electrical Contractors ("the Board") upon receipt of information which the Board has reviewed and on which the following findings of fact and conclusions of law are provisionally made:

FINDINGS OF FACT

1. Respondent is a licensed electrical contractor in the State of New Jersey and has been a licensee and a business permit holder at all times relevant hereto.
2. The Board received a complaint referred to it by the Division of Consumer Affairs, Somerset County Office, alleging faulty electrical work was performed by

respondent.

3. As a result, the Board sent a letter dated July 1, 2008 by first class mail requesting an explanation.

4. The Board sent a second letter dated October 3, 2008 by first class and certified mail requesting an explanation.

5. The certified mail was signed as received on or about October 7, 2008, and the first class mail was not returned.

6. To date, respondent has not responded to the Board's letters.

CONCLUSIONS OF LAW

Respondent's failure to reply to the Board communications requesting information constitutes a failure to cooperate with a Board investigation, in violation of N.J.A.C. 13:45C-1.2 subjecting respondent to sanctions pursuant to N.J.S.A. 45:1-21(e).

DISCUSSION

Based on the foregoing findings and conclusions, a Provisional Order of Discipline was entered on May 6, 2009. A copy of the order was forwarded to respondent's address of record by certified and regular mail. The Provisional Order was subject to finalization by the Board at 5:00 p.m. on the 30th business day following its entry unless respondent requested a modification or dismissal of the above Findings of Fact or Conclusions of Law by submitting a written request for modification or dismissal, setting forth in writing any and all documents or other written evidence supporting respondent's request for consideration and reasons therefore.

On July 1, 2009 the Board determined that respondent had failed to respond to the Provisional Order of Discipline. Because the Order was forwarded to respondent's address

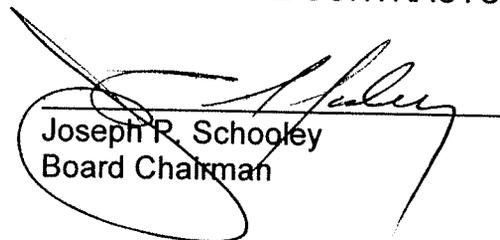

of record, the Board deems service to have been effected. Accordingly, it was determined that further proceedings were not necessary and that the Provisional Order should be made final.

ACCORDINGLY, IT IS on this 15 day of SEPT, 2010

ORDERED that:

1. A public reprimand is hereby imposed upon respondent for his violation of N.J.A.C. 13:45C-1.2.
2. A civil penalty in the amount of \$2,000.00 is hereby imposed upon respondent for the violation of N.J.A.C. 13:45C-1.2.
3. Respondent's license and business permit is hereby suspended until such time as he responds fully to the Board's request for information.
4. Respondent shall forward his pressure seal to the Board within ten (10) days of the entry date of this Final Order of Discipline, as required by N.J.A.C. 13:31-3.3(c).
