

Dr. Pactovis appeared before the Board on June 16, 2010. He answered questions on the information disclosed in his application and discussed his current professional work in providing safety and compliance services to dental practitioners. He stated that due to his disability he would not practice clinical dentistry, but expressed his desire to obtain a license to become an active and productive member of the dental community, particularly in connection with providing continuing education and consulting services.

Based on the information submitted, the Board has determined that Dr. Pactovis may be licensed subject to the conditions outlined in this order. The Board finds that the restrictions placed on his practice by this order are adequate to protect the health and welfare of the public, and that good cause exists for entry of this order:

IT IS ON THIS 6<sup>th</sup> DAY OF October, 2010,

ORDERED:

1. Dr. Pactovis shall refrain from the clinical practice of dentistry, including but not limited to, examinations, diagnosis and treatment planning, restorative dentistry (fixed and removable), oral and maxillofacial surgery, oral and maxillofacial radiology, oral pathology, endodontics, orthodontics, periodontics, prosthodontics, implants, and pediatric dentistry. Should Dr. Pactovis have a question about whether he may provide a service, he shall submit his question in writing to the Board for its consideration.

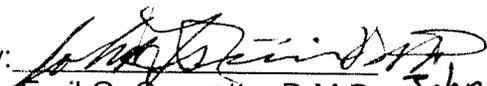

2. Dr. Pactovis shall complete continuing education required to maintain an active license.

3. Any request to be relieved from the restrictions contained in this order shall be submitted in writing and be supported by reports from treating physicians attesting to Dr. Pactovis's ability to practice dentistry with reasonable skill and safety. The Board

reserves the right to require Dr. Pactovis to appear before the Board and to have him submit to an assessment of his skills in connection with the application to remove restrictions.

4. Failure to comply with any of the terms of this consent order may result in disciplinary action, including an action on short notice to suspend Dr. Pactovis's license to practice.
