IN THE MATTER OF THE LICENSE OF : Administrative Action
: :
WARREN H. KNOTT, JR., P.L.S. :
License No. 24GS03860200 : ORDER OF SUMMARY
: SUSPENSION
TO PRACTICE PROFESSIONAL LAND :
SURVEYING IN THE STATE OF NEW JERSEY: :
_____ :

THIS MATTER was opened to the New Jersey State Board of Professional Engineers and Land Surveyors ("Board") upon receipt of information revealing the following:

1. Respondent, Warren H. Knott, Jr., P.L.S., is the holder of License No. 24GS03860200 and was licensed to practice professional land surveying in the State of New Jersey on

August 19, 1994 and, thereafter, permitted that license to lapse on April 30, 2008.

2. On or about November 12, 2007, a complaint was received from Vincent C. Giannini regarding Respondent's professional conduct. Further, it appears that Respondent's office has been permanently closed and, despite attempts by Mr. Giannini as well as the Board Office, he has not been able to be contacted at any known address.

3. Respondent's failure to submit his biennial renewal in New Jersey in 2008 has resulted in a lapsed license status and the automatic suspension of Respondent's license to practice professional land surveying in the State of New Jersey without a hearing pursuant to N.J.S.A. 45:1-7.1(b).

ACCORDINGLY, IT IS on this 1st day of November, 2010,
ORDERED THAT:

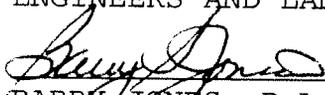

1. Respondent's license to practice professional land surveying in the State of New Jersey is suspended by operation of N.J.S.A. 45:1-7.1, without a hearing.

2. In the event that Respondent seeks reinstatement of his New Jersey license at any time in the future, then this Order shall require Respondent to appear before the New Jersey State Board of Professional Engineers and Land Surveyors to establish that he is fit to practice professional land surveying in New Jersey and provide information concerning the complaint received by Vincent C.

Giannini. Additionally, the Board reserves the right to take disciplinary action and place restrictions and/or limitations upon Respondent's license to practice professional land surveying in the State of New Jersey.
