**RE: Elizabeth Schlatmann
Complaint #78500**

Dear Ms. Wilson:

This letter is to advise you that the New Jersey State Board of Pharmacy (the "Board") has had an opportunity to review information concerning your practice of pharmacy following an investigation that uncovered the following infractions of the law and regulations:

The Board agreed to issue a \$200.00 fine to Judith E. Wilson, RP for violation of NJAC 13:39-6.2(f)3. In addition, Ms. Wilson is to complete 4 continuing education modules on medication errors and/or patient safety. The completion of these modules will not be considered as part of the biennial continuing education requirement.

The Board has determined that it will first offer you an opportunity to settle this matter and thereby avoid the initiation of formal disciplinary proceedings. Should you wish to avail yourself of this opportunity, you should sign the acknowledgment below and agree to the following:

*pay a penalty in the amount of \$200.00 (to be paid immediately upon your signing of the acknowledgment at the bottom of this letter), and **Letter of Correction.***

Alternatively, you may waive your right to a hearing and submit a written statement or explanation to the Board. The Board will then consider your submission and render a final decision, which may include any of the terms set forth above. Any disposition by way a settlement will be a public record, and will have the same effect as an order of the Board. Any failure to comply with the terms to which you agree will be deemed a violation.

If you do not wish to settle this matter, you may request a hearing. In that event, this letter will serve as notice of the charges against you and a hearing will be scheduled before the Board. At that hearing you either personally or with the assistance of an attorney will have an opportunity to respond to the charges and submit evidence and present testimony as may be necessary in order for the Board to make a final determination concerning the charges of unlawful activity.

You should be aware that in making its final decision, the Board may, if unlawful activity has been proven, assess civil penalties in an amount greater than that offered in this letter. Additionally, the Board may, if the facts are found to so warrant, enter an order requiring you to pay costs incurred in the matter.

Should you have any questions concerning this letter or the settlement offer herein, I suggest that you contact the Board of Pharmacy, at (973) 504-6450.

The enclosed certification should be completed and returned to the Board within fifteen (15) days following your receipt of this letter. In the event that the Board receives no response from you within fifteen (15) days, the Board's settlement offer will be withdrawn, and you will be deemed in default. The allegations against you will be deemed uncontested. The Board will then proceed to schedule the matter for final review and will enter an appropriate order. Once an order has been entered, your failure to pay any penalties may result in further action to suspend or revoke your license.

Dear Ms. Boyce,

This letter is in response to complaint #78500 Elizabeth Schlatmann. Upon notification of this complaint several corrective actions have been made with the pharmacy staff.

First, all pharmacy employees were required to and have completed re-training of HIPPA policies. This is to ensure all staff members are aware of HIPPA policies to prevent any violations from occurring in the future.

Also, all pharmacy employees were required to and have completed re-training in the proper company policies at pick-up. This re-training included verifying the patients first and last name as well as the patients address to ensure that every prescription is dispensed to the correct patient.

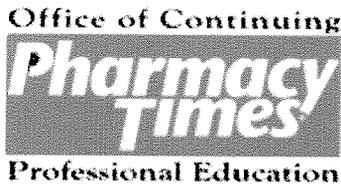

Both of the above stated corrective actions have been taken with all current pharmacy staff and will be reviewed with all new employees.

Thank you for you time and attention to this matter.

Sincerely,
