UNLICENSED TO PRACTICE	:	
MEDICINE AND SURGERY IN THE	:	
STATE OF NEW JERSEY	:	

This matter was opened to the New Jersey State Board of Medical Examiners (Board) upon receipt of information pertaining to Kayvon Tehrani, M.D. (Respondent) and his practice of medicine in New Jersey without a New Jersey license.

On or about July 22, 2008, Respondent provided a medical consultation to a female undercover investigator from the New Jersey Division of Consumer Affairs Enforcement Bureau, whom Respondent believed to be a patient, at

Respondent's office located at 7801 Bergenline Avenue, North Bergen, New Jersey. More specifically, the consultation was for liposuction of the undercover investigator's waistline and a fatty injection into the undercover agent's buttocks. Respondent advised the undercover investigator the procedure would be performed at a facility in New York, with transportation provided to and from the Respondent's office in North Bergen, New Jersey. Additionally, Respondent discussed with the undercover investigator that her pre and post operative appointments would take place at the North Bergen facility and his fees for the procedure of \$6,500. Respondent's application for a New Jersey medical license was received by the Board on or about December 7, 2007 and was pending review when the above investigation took place. Respondent's holding himself out as being able to practice, offering to practice and practicing medicine in New Jersey without a valid medical license constitutes a violation of N.J.S.A. 45:9-18 and 45:9-22. The Board finding the within disposition adequately protective of the public health, safety and other good cause shown,

IT IS ORDERED AND AGREED THAT:

1. Respondent shall immediately cease and desist from engaging in the practice of medicine in New Jersey.

Respondent has ceased all ties with the location in North Bergen, New Jersey, where he practiced medicine without a New Jersey medical license and he shall continue to cease such practice and shall not open or work as an employee at any medical office in New Jersey unless and until he has an active unrestricted medical license in New Jersey.

2. Respondent shall immediately cease and desist from engaging in or offering to engage in the practice of medicine and surgery within the State of New Jersey, including but not limited to providing consultations for surgical procedures in New Jersey, whether or not the surgery is to be performed in another jurisdiction, and shall cease and desist from performing follow-up consultations or appointments for surgeries performed in another jurisdiction; unless and until he has an active unrestricted medical license in New Jersey.

3. Respondent is hereby "reprimanded" for his practice of medicine and surgery in the State of New Jersey without a valid New Jersey medical license, in lieu of receiving a denial of such license Respondent is permitted to withdraw such application.

4. Respondent shall pay \$10,000 in penalties no later than 30 days after the filing of this Order, for violating N.J.S.A. 45:9-22. A Certificate of Debt shall be filed against Respondent for \$10,000 if payment of all monies owed

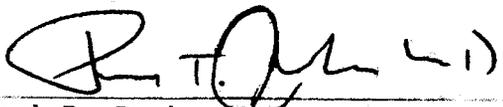

is not timely paid in full. Payment shall be submitted by certified check or money order, payable to "Treasurer, State of New Jersey". Payment shall be sent to William Roeder, Executive Director, Board of Medical Examiners, P.O. Box 183, Trenton, NJ 08625-0183.

5. Respondent agrees that his pending application for licensure is now deemed withdrawn and he shall not re-apply for a New Jersey license to practice medicine for at least a minimum of five years from the filing date of this Order.

6. Any deviation from the terms of this Consent Order without the prior written consent of the Board shall constitute a failure to comply with the terms of this Order, which may serve as the basis for increased monetary penalties pursuant to N.J.S.A. 45:1-25.
