ORDER OF EARLY REINSTATEMENT

The New Jersey State Board of Dentistry received an application from Daniel A. Smilowitz, D.D.S. (“respondent”), through his counsel Michael Keating, Esq., seeking to reduce the period of active suspension imposed by the Final Consent Order entered on May 23, 2011. That order imposed an active suspension of 364 days, retroactive to November 23, 2010. In seeking an early termination of the active portion of his suspension, respondent has presented proofs to the Board that he has fulfilled all requirements of the Board’s order, including completion of remedial education. He has appeared before the Board discuss the conduct underlying the Board’s action and the insight he has gained from the experience. As permitted by the Board, he has filed an application to reinstate his license and paid appropriate fees.

Based on the information submitted, the Board is persuaded that respondent may return to active practice at this time. The Board, therefore, will reduce the period of active suspension and will reinstate respondent’s license effective November 2, 2011.

THEREFORE, IT IS ON THIS 2nd DAY OF November, 2011,

ORDERED:

1. The period of active suspension of the license of Daniel Smilowitz, D.D.S., imposed by the Order of Voluntary Surrender entered on May 23, 2011, shall terminate upon entry of this order
