CONSENT ORDER

TO PRACTICE NURSING IN THE
STATE OF NEW JERSEY

This matter was opened to the New Jersey State Board of Nursing ("Board") upon receipt of information that respondent had been convicted on February 16, 2012 of the violation of N.J.S. 2C:20-11F, possession or use of an anti-shoplifting device. Respondent was also convicted on January 18, 2012 of improper behavior, a petty disorderly persons offense, in violation of N.J.S. 2C:33-2(a).

The Board finds that the conduct underlying respondent's convictions relates adversely to the practice of nursing within the intendment of N.J.S.A. 45:1-21(f).

It appearing that there is good cause for the entry of this Order, and the Board finding that respondent has recognized and is making a good faith attempt to address the conduct to ensure that it does not recur, and the Board finding that this order is sufficiently protective of the public health, safety and welfare, accordingly;

IT IS ON THIS 25th DAY OF June , 2012

HEREBY ORDERED AND AGREED THAT:

1. A public reprimand is hereby imposed upon respondent for the violation of N.J.S.A. 45:1-21(f).
2. Respondent shall obey all of the laws of the State of New Jersey, the United States and their political subdivisions as well as all regulations, rules or laws pertaining to the practice of nursing in the State or jurisdiction in which she practices nursing. Respondent shall report to the Board within ten (10) days any arrest, indictment or conviction for any crime or disorderly persons offense.
3. Respondent shall enroll in, and comply with all of the terms and conditions of participation in Professional Assistance program of New Jersey (PAP) until she has been released by PAP. Respondent shall cause PAP to inform the Board in writing if respondent is non-compliant with, or is terminated from or resigns from further participation in the program together with

the reasons for and complete documentation of the non-compliance, termination and/or resignation. Notification of the Board shall be within 24 hours of determination of non-compliance, termination or resignation, or as soon thereafter as is practicable.

Respondent shall provide PAP's Executive Medical Director with a complete copy of the within Order.

4. PAP shall provide reports on a quarterly basis to the Recovery and Monitoring Program of New Jersey (RAMP), which reports shall be sent to the attention of Jamie Smith, Interim Director, Recovery and Monitoring Program, 1479 Pennington Road, Trenton, New Jersey 08618. These reports shall indicate respondent's degree of compliance with the monitoring plan.

5. Respondent shall provide a release to PAP allowing PAP to provide pertinent reports, records and other information pertaining to respondent to the Board, and to RAMP, the Board's designated monitor. Respondent's signature on this order signifies respondent's waiver of any right to confidentiality with respect to these matters, and respondent's agreement that the Board may utilize any such reports, records and other information it receives from PAP or RAMP in any proceeding regarding respondent's licensure and that the Board may release any pertinent information in its possession to PAP or RAMP.

6. Respondent shall attend regular 12 step support group meetings or the equivalent, and nurse peer support group

meetings, as required by PAP. She shall attend individual counseling and psychiatric treatment until successful discharge, if required by PAP. Respondent shall not engage in the practice of nursing if so advised by PAP, and shall confine her employment and employment schedule to settings and schedules approved by PAP.

7. Respondent shall submit to random observed urine testing or hair testing as required by PAP. Respondent's failure to submit to or provide a urine sample or hair sample when requested shall be deemed to be a violation of the terms of this Order. All random alcohol and drug screens shall be negative for the presence of alcohol or drugs, unless the drugs detected by screening were properly taken pursuant to a valid prescription from a health care practitioner aware of respondent's substance abuse history, if any.

8. Respondent shall notify the Board, PAP and RAMP within 10 days of any change of address, or any termination, resignation or leave of absence from any place of nursing employment.

9. Respondent may apply for the removal of the restrictions imposed by the within Order upon successful completion of PAP. The Board reserves the right to require respondent to appear before the Board and demonstrate her fitness to practice without further monitoring at such time.

10. Any deviation from the terms of this Order without the

prior written consent of the Board shall constitute a failure to comply with the terms of this Order. Upon receipt of any reliable information indicating that respondent has violated any term of this Order, respondent's license may be automatically suspended by the Board. Respondent, upon notice, may request a hearing to contest the entry of such an order. At any such hearing the sole issue shall be whether any of the information received regarding respondent was materially false. In addition, the Board reserves the right to bring further disciplinary action.
